RE: Addition of "NO PARKING" signs on Saddlehorn Trail

Dear Commissioner Meyers:

At the request of adjacent residents, Fort Bend County Engineering Department has completed the traffic control plan to add No Parking signs for the cul-de-sac on Saddlehorn Trail. On-site observations showed that the tight dimensions of the cul-de-sac prevent school buses and other large vehicles from turning around when parked cars are present. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.

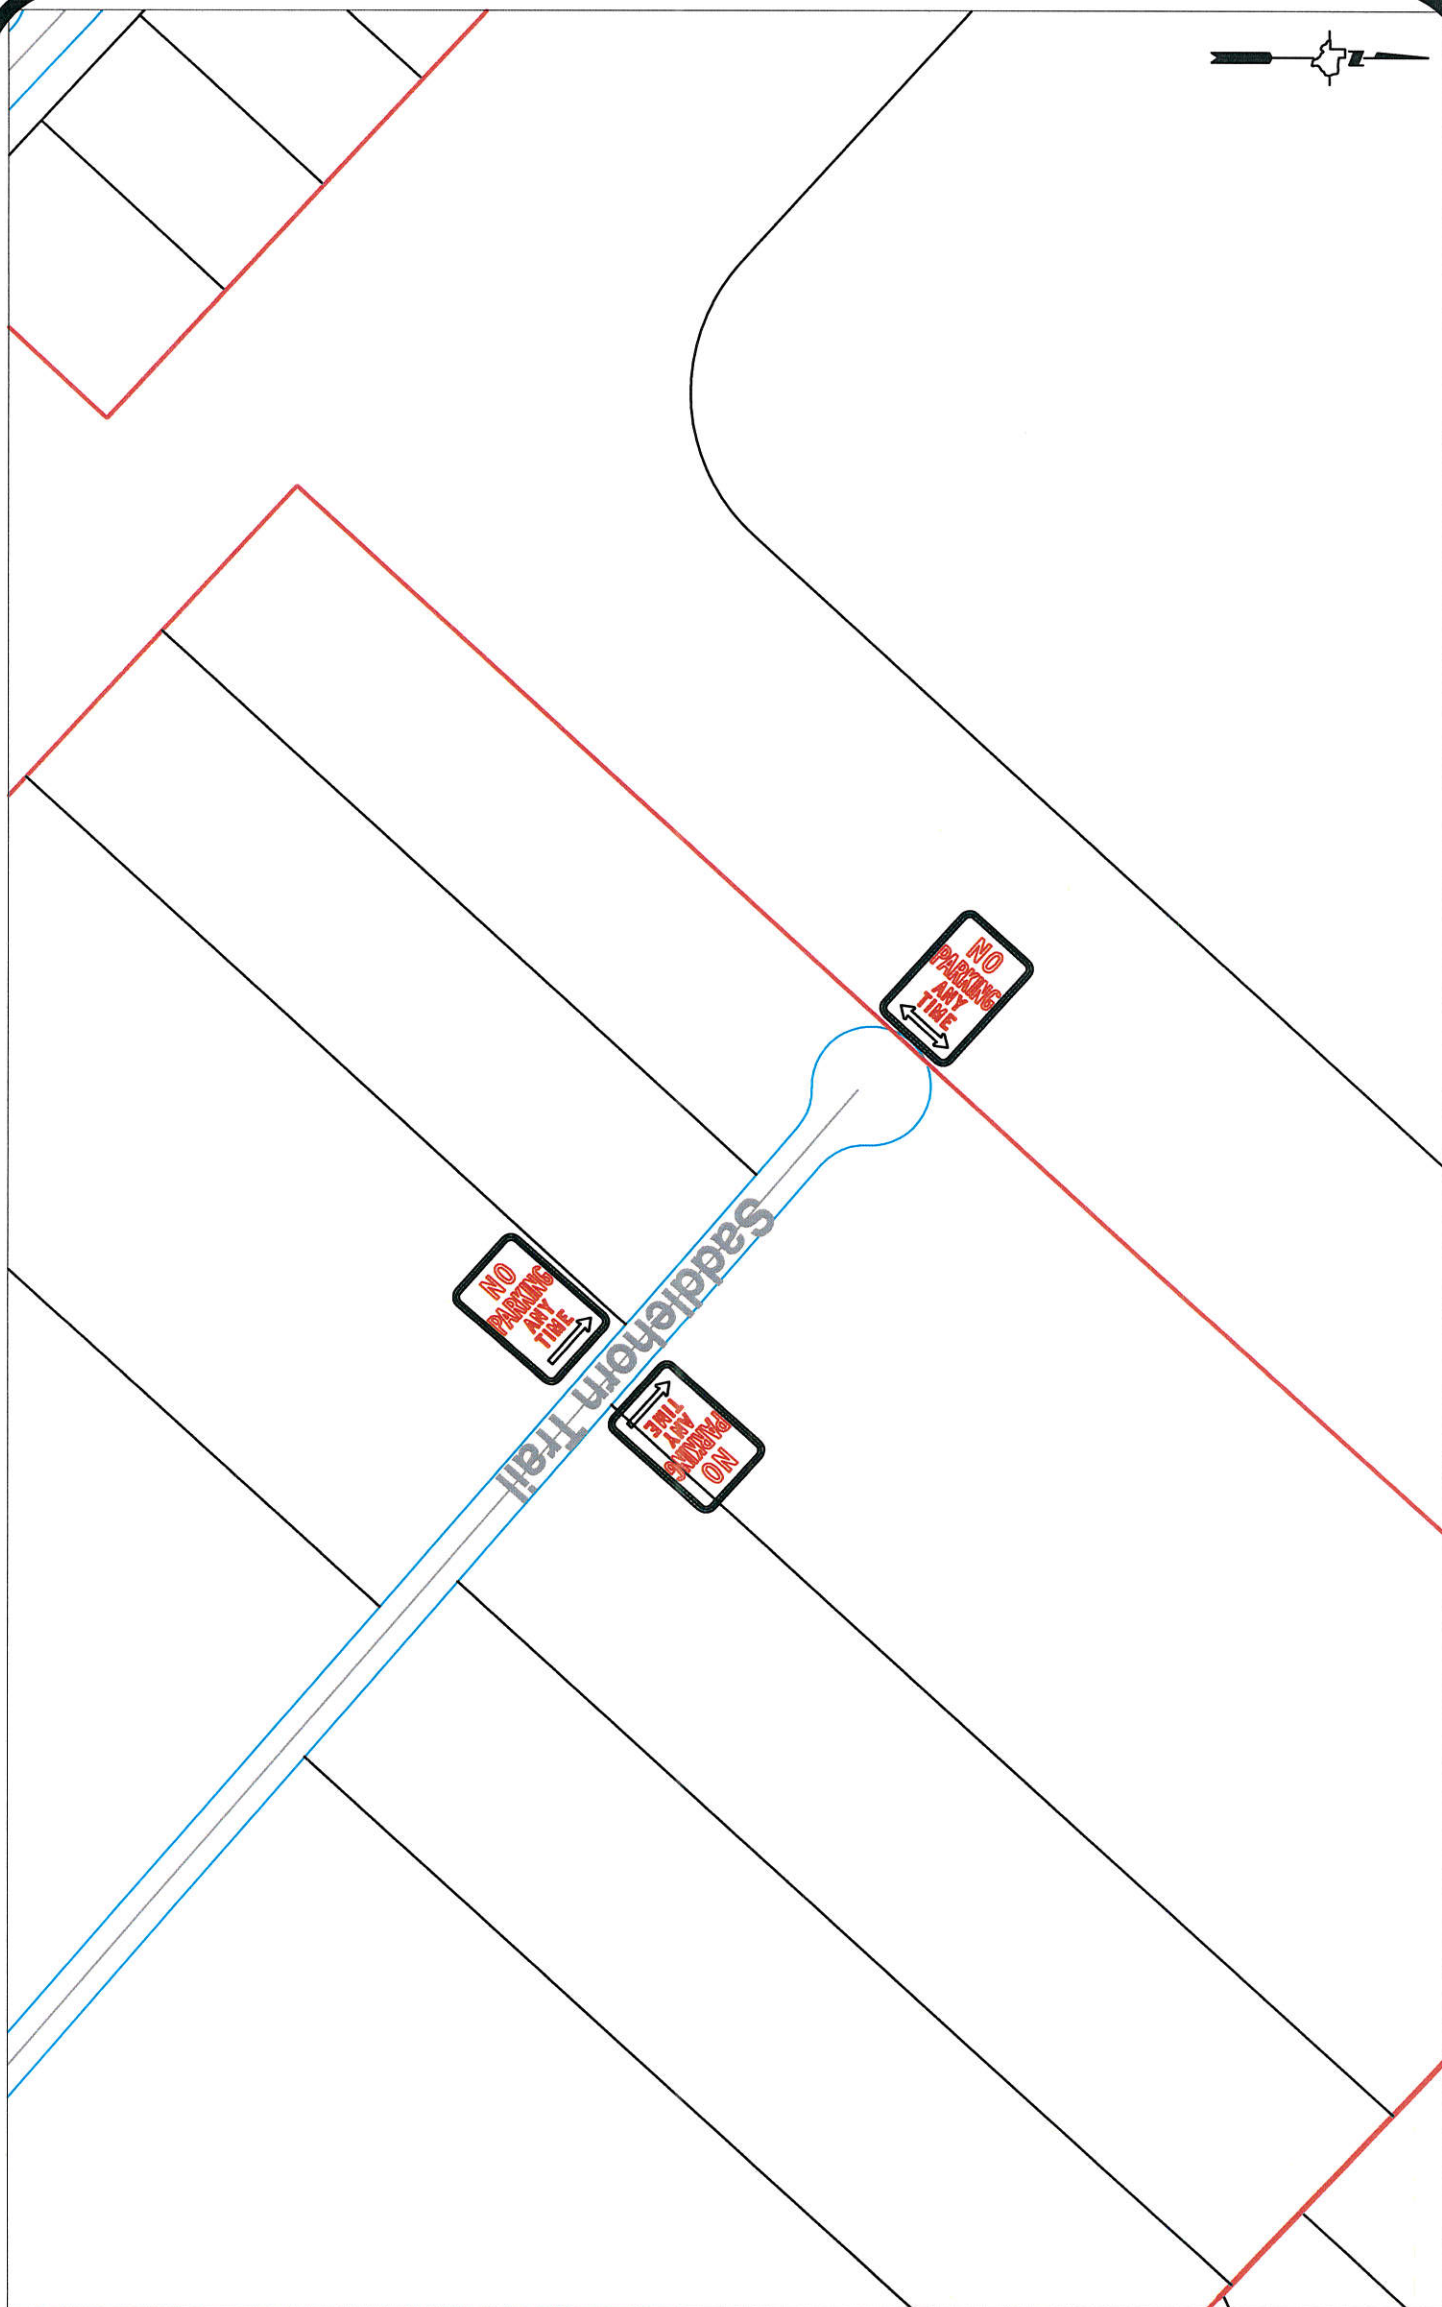

Sincerely,
