Re: Request for Additional Compensation for Additional Compensation
For Construction Materials Testing and Inspection Services on
Westpark Extension - Fort Bend County Toll Road Authority
PO No. 137085
Our Proposal Number: 15-80 Addenda 1

Mr. Stone:

Based on the expected Construction Materials Testing and Inspection Services remaining on the above referenced project, Aviles Engineering Corporation (AEC) will exceed the maximum compensation allowed under our original contract.

AEC proposes that an increase of \$30,000 in the maximum compensation from the current maximum of \$300,000 to \$330,000 will allow AEC to complete the materials testing and inspection required on the project.

Aviles Engineering Corporation appreciates the opportunity to continue to provide its services on this project.

Respectfully submitted,
Aviles Engineering Corporation
(TBPE Firm Registration No. F-42)
