Good Morning,

Attached are the last two invoices received for payment. Invoice 29301 matched our records and has been paid. Invoice 13102 (**30128**) does not match our records. Can you please check to see if an invoice should have been sent between the two billing periods? If so please reply to this email with the invoice attached otherwise invoice 13102 may need to be revised (see mark ups).

Thanks!
