

LEASE AGREEMENT RFP 17-043

THIS LEASE AGREEMENT made this day by and between **FORT BEND COUNTY**, a body corporate and politic under the laws of the State of Texas, by and through its Commissioners Court, hereinafter referred to as "Lessor," and **Clear Wireless LLC, a Nevada limited liability company**, authorized to do business in the State of Texas, hereinafter referred to as "Lessee."

WHEREAS, the Lessor is the owner of the building located in Fort Bend County, Texas, and further described in Exhibit A, attached hereto and made a part hereof for all purposes, hereinafter referred to as "Leased Premises"; and,

WHEREAS, Lessee desires to lease a portion of the Leased Premises for the purpose of operation, installation and maintenance of certain cellular telephone antenna and related equipment, along with restricted ingress and egress thereto, and utility and cable easements thereto; and,

WHEREAS, Lessor represents that such lease of County property is authorized pursuant to RFP 17-043.

NOW THEREFORE, in consideration of the terms, conditions and rentals hereinafter set forth, Lessor and Lessee agree to the following:

WITNESSETH, THAT

1. USE

The Leased Premises are hereby leased to Lessee as a site for a wireless communications facility and for any other lawful purpose, consistent with related applications, for which Lessee may desire to use the Leased Premises. Lessee shall have the right to erect, construct, operate, maintain, repair and replace on the Leased Premises the equipment described in Exhibit A – Product Specifications. Within the confines of the equipment footprint, Lessee shall have the right to erect, construct, operate, maintain, repair and replace on the Leased Premises the equipment described in Exhibit A. Lessee agrees and shall be required to light the communications monopole or tower, if any, in the manner required by the Federal Aviation Agency for structures 200' or higher. **Only the items listed in Exhibit A are allowable on the Leased Premises. Any additional structures, antennae, footprints, equipment, cabinets of any kind, and/or any other items not specifically contained in Exhibit A and authorized by Lessor are strictly prohibited. Lessee's failure to comply with the requirements of this paragraph shall constitute a default of this**

Lease Agreement and call for the immediate cancellation and termination of this Lease Agreement. Should Lessee breach any material term or covenant of this paragraph, and such breach shall continue uncured for thirty (30) days following Lessee's receipt of written notice of such breach, Lessor shall have the right and authority to remove any and all structures, antennae, footprints, cabinets of any kind, or any other item placed/installed on the Leased Premises. Lessor shall not be responsible for any damage to any structures, antennae, footprints, equipment, cabinets of any kind, and/or any other item removed from the Leased Premises in the event of Lessee's default. Notwithstanding the foregoing, Lessee shall have the right to cure any default as provided under paragraph 8(b) of this Lease Agreement.

Lessee is hereby granted the limited right of ingress and egress to the Leased Premises during normal business hours of 8:00 a.m. to 5:00 p.m. of Lessor for the purpose of installation, maintenance, repair, replacement and removal of the communications tower and other equipment. Lessee shall have limited access to the Leased Premises at times when the Lessor's business activity is closed, such as after 5:00 p.m., weekends and holidays. In the event Lessee requires access to the Leased Premises after hours, Lessee shall contact Lessor no less than four (4) hours prior to being granted access to the Leased Premises. If Lessee requires access to the Leased Premises outside of Lessor's normal business hours, Lessee will be responsible for any reasonable costs incurred by Lessor in providing such access.

Subject to the provisions of Paragraph 13 hereof, any and all structures, improvements, equipment, facilities and other property of whatever kind installed by or for Lessee on the Leased Premises shall be and remain the property of Lessee, whether affixed to the realty or not, and Lessee shall have the right to remove the same at any time during the term hereof and within 90 days after the termination or expiration of this Lease Agreement or any extensions or renewals thereof. All the while, rent shall continue to be paid to Lessor until the removal of the property.

Lessee agrees and understands that it is the Lessee's responsibility to abide by all federal, state and local rules and regulations pertaining to the operation of the site and of Lessee's equipment; including without limitations, those pertaining to the installation, maintenance, height, location, use, operation, and removal of its equipment, antenna systems, and any other alterations or improvements authorized herein. Lessee agrees and understands that changes in rules and policies by agencies or persons other than Lessor that affect the operation or use of Lessee's equipment and of the site are not Lessor's responsibility. Lessee hereby represents that Lessee has obtained the necessary licenses and permits required to use said site, or that Lessee will obtain said licenses or permits, at Lessee's own expense, prior to any such use.

Lessee represents that it has independently ascertained that the site is adequate and proper for Lessee's intended use and has entered into this Lease Agreement based solely upon said independent investigation, and not by any representation by Lessor.

2. TERM

This Lease Agreement shall be for a primary term ("Primary Term") of one (1) year, commencing on the date executed by the Lessee or Lessor, whichever is later the ("Commencement Date") and ending on the first anniversary of that date; provided, however, Lessee shall have the right and option to extend the term of this Lease Agreement for four (4) additional one (1) year periods, commencing on the first (1st) anniversary date of this Lease Agreement (the "Renewal Period") with a three percent (3%) annual increase for each renewal. In no event shall this Lease Agreement extend past December 31, 2022. Lessor shall have the right to terminate this Lease Agreement by providing Lessee ninety (90) days written notice prior to any anniversary date.

3. UTILITIES

Lessee agrees to pay Lessor, in advance, for power consumption at the Leased Premises, a utility fee ("Utility Fee") in monthly installments of One Hundred Fifty and No/100 Dollars (\$150.00). The Utility Fee payments will begin on the Commencement Date and shall continue during the term until this Lease Agreement terminates for any reason, partial months to be prorated. If the Commencement Date is any day other than the first day of a calendar month, then subsequent payments of the Utility Fee will not be due until the first day of the first calendar month following the Commencement Date. Lessor will read the submeter on a monthly basis and annually reconcile actual consumption against the Utility Fee paid for that year. If the actual power consumption for the Leased Premises or the local public utility rates for that 12-month period produce a utility cost amount which is more than the Utility Fee paid by Lessee for that period, and Lessor can provide written third-party documentation of the overage, then Lessor may invoice Lessee for any difference between the two amounts within 60 days from the annual anniversary of the Commencement Date. If the actual power consumption for the Leased Premises or the local public utility rates for that period produce a utility cost amount which is less than the Utility Fee paid by Lessee for that period, then Lessee may either, at Lessee's sole discretion, apply a credit against the next Utility Fee payment due for any difference between the two amounts or receive a prompt refund from Lessor of any overpayment.

4. COMPLIANCE WITH LAWS

Lessee agrees, at its expense, to conduct all operations on said Leased Premises in full compliance with all laws, ordinances, rules, regulations, orders or directives of any government authority, and shall not commit or allow to be committed any public or private nuisance thereon.

5. WARRANTY

Lessor warrants that Lessor owns fee simple title to the Leased Premises, or has the authority to assign or sublet a previously executed lease, and that the leasehold estate herein created is and shall be free and clear of all liens and other encumbrances. Lessor warrants that this Lease Agreement includes access to the Leased Premises.

6. COVERAGE AND INTERFERENCE

Lessor makes no representations concerning the distance at which useable signals may be transmitted and received from the site or location thereof. Lessee is hereby notified that the site is subject to degradation performance from, but not limited to, natural and man-made phenomena such as so-called "skip" interference, power line and ignition noise, intermodulation, co-channel interference, and interference from users of the same or other radio frequencies. Lessor is not responsible for interference due to the above or other causes.

7. RENTAL

As rent and rental for the use of the Leased Premises, Lessee shall pay to Lessor the annual sum of **\$24,000.00**, within 30 days of full execution of this Lease Agreement. Any overpayments from the previous lease for this site shall be credited against the amount due. This rental rate will be increased annually effective on the anniversary of the Commencement Date each year by three (3%) as follows:

| | |
|-----------------------|--------------|
| Year 1 (2017 to 2018) | \$ 24,000.00 |
| Year 2 (2018 to 2019) | \$ 24,720.00 |
| Year 3 (2019 to 2020) | \$ 25,461.60 |
| Year 4 (2020 to 2021) | \$ 26,225.45 |
| Year 5 (2021 to 2022) | \$ 27,012.21 |

Each renewal period shall automatically commence immediately upon the expiration of the prior term or renewal period, unless Lessee provides at least thirty (30) days prior written notice to Lessor of its intent not to exercise the

renewal period. All future rental payments due hereunder shall be paid or tendered to Lessor at Lessor's address specified herein, or to such other place as Lessor may from time to time designate the Lessee on or before the anniversary of the Commencement Date each year Lessee seeks to renew this Lease Agreement. No change of ownership with respect to the Leased Premises or with respect to the rental payments provided for herein shall be effective and binding upon Lessee for any purpose until thirty (30) days after the acquiring party shall have furnished Lessee by registered United States Mail, a copy duly certified by the appropriate public official, of the recorded instrument, if any.

Failure on the part of Lessee to make any rental payment hereunder on or before its due date shall give Lessor the right (following written notice and an opportunity to cure as provided below) to declare a forfeiture of this Lease Agreement, which declaration of forfeiture shall be made in writing and shall be mailed or delivered to Lessee at the address specified herein (or to any subsequent address hereafter specified by Lessee). This Lease Agreement and all rights of Lessee hereunder shall terminate thirty (30) days after receipt by Lessee of such written declaration of forfeiture, unless on or before the expiration of such thirty (30) day period the Lessee shall pay to Lessor the rental then owing hereunder.

8. TERMINATION

- A)** Lessee may terminate this Lease Agreement at any time by giving thirty (30) days written notice to Lessor of its intention to do so.
- B)** Lessor may terminate this Lease Agreement if Lessee shall default in the payment of any rent or fails to comply with the material provisions or conditions of this Lease Agreement, and in either event, if such default shall continue for a period of thirty (30) days after written notice given by Lessor to Lessee specifying such default.
- C)** Lessor may terminate this Lease Agreement at any time by giving ninety (90) days written notice to Lessee.

**10.
ASSIGNABILITY**

Lessee will not assign or transfer this Lease Agreement or sublet all or any portion of the Leased Premises without prior written consent of Lessor, which consent will not be unreasonably withheld, conditioned or delayed; provided however, that Lessee shall have the right, without notice to or consent of Lessor, to sublease (or otherwise transfer or allow the use of) all or any portion of the Leased Premises or assign its rights under this Lease Agreement in whole or in part to: (a) any entity controlling, controlled by or under common control with Lessee; (b) any entity acquiring substantially all of the assets of Lessee; (c) any entity that is authorized to sell telecommunications products or services under the "Sprint" or "Sprint PCS" or "Nextel" brand name or any successor brand name(s) or other brand name(s) used or licensed by Lessee's parent corporation ("Contract Affiliate"); or (d) any successor entity in a merger or consolidation involving Lessee. Lessor will not be entitled to any additional rent or other fees for its review or approval.

**11.
ACCEPTABLE ENCUMBRANCES**

Notwithstanding the terms and provisions of Paragraph 5 hereof, this Lease Agreement is made expressly subject to certain valid and existing easements, leases, rights of way, oil, gas and mineral rights, and restrictions which are presently of record.

**12.
DEFAULT**

If Lessee fails to comply with any material provisions of this Lease Agreement and such failure is not cured within thirty (30) days after receipt of written notice thereof from Lessor, Lessor may, at its option, terminate this Lease Agreement without affecting any rights to which Lessor may be entitled. If any such default cannot reasonably be cured within thirty (30) days, Lessee will not be deemed to be in default hereunder if Lessee commences curing such default within the thirty (30) day period and thereafter diligently pursues such cure to completion. However, in no event shall any default remain uncured for a period of sixty (60) days.

If Lessor fails to comply with any material provisions of this Lease Agreement and such failure is not cured within thirty (30) days after receipt of written notice thereof from Lessee, Lessee may, at its option, terminate this

Lease Agreement without affecting any rights to which Lessor may be entitled. If any such default cannot reasonably be cured within thirty (30) days, Lessee will not be deemed in default hereunder if Lessor commences curing such default within the thirty (30) day period and thereafter diligently pursues such cure to completion.

13.
REMOVAL OF PROPERTY

Lessee shall have the right at any time during or within ninety (90) days after the termination of this Lease Agreement to dismantle and remove all property and improvements placed by Lessee on the Leased Premises or on the lands of Lessor adjacent and contiguous to the Leased Premises, regardless of the manner in which such property and improvements may be affixed thereto; provided, however, that said premises shall be restored to substantially their original condition insofar as it is reasonably practicable to do so, reasonable wear and tear excepted, or, if mutually agreed upon, it may transfer such property to Lessor and leave the same in place as abandoned property. Lessee is responsible for the removal and replacement of Lessee's property and improvements due to maintenance and/or repairs to the Leased Premises required by Lessor. Lessee is required to repair any damage to the Leased Premises upon termination of this Lease Agreement. Lessee shall be responsible and held liable for any and all Environmental Hazards caused by Lessee's activities and shall remove any and all such Environmental Hazards to Lessor's satisfaction.
