HALF DAY WORKSHOPS

8:30 - 12:00PM

CASE LAW: COMPETENCY TO STAND TRIAL AND CRIMINAL RESPONSIBILITY

Presenter: Robert Cochrane, Psy.D., ABPP

Beginner-Intermediate Level (3.5 CE Credits, CLE approval pending): This workshop covers case law pertaining to competency to stand trial and criminal responsibility matters. Participants are provided case background, the

legal issue, the court's ruling, and the mental health implications for several landmark cases. The Supreme Court justices are discussed, and the process by which cases are selected and decided is reviewed. Legal terms are defined, and video clips and "Supreme Court Trivia" help highlight relevant constitutional issues and court procedures. This workshop is useful for students, professors, practicing clinicians, attorneys, and those preparing for board certification.

1:00 - 4:30PM

E Introduction to Trial Consulting Presenters: Leslie Ellis, PhD & Bryan Edelman, PhD

Beginner Skill Level (3.5 CE Credits): This session will give participants who are interested in trial consulting an overview of the field, the range of practices it covers, life as a trial consultant, research methodology, and the importance of following ASTC professional codes. Through the use of sample case, participants will learn about doing pre-trial research, jury selection, witness preparation, and other services. Presenters and

participants will also discuss which research methodologies are most commonly used in consulting, which areas of research are applicable and most commonly arise in consulting, and subjects of interest to consulting that are under-researched.
