Idea Lab has launched!

The new enhancements system is now available at <http://idealab.iii.com> !

Do you want to influence new development efforts and enhancements to Innovative solutions? IUG has partnered with Innovative on a new process for customer-driven innovation that we are managing through Idea Lab. All Innovative customers from across the globe, using any Innovative product, are encouraged to get involved!

Our first Idea Lab challenge has begun - please check it out at <http://idealab.iii.com>
