RE: Addition of "NO PARKING, STOPPING, or STANDING" signs on University Park Drive in Cinco Ranch

Dear Commissioner Meyers:

At the request of Katy ISD, Fort Bend County Engineering Department has completed the traffic control plan to create a No Parking, Stopping, or Standing zone on north side of University Park Drive between Indian Sage Drive and the western driveway of the temporary Creech Elementary school campus. Additionally, the circle at the western end of University Park Drive will be signed as a No Parking zone to enable the turnaround of large vehicles.. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.

Sincerely,
