Re: Request for Variance – Block Length
Harvest Green Sec 22

Dear Commissioner Meyers:

We are requesting a variance to the Fort Bend County Regulations of Subdivisions as described in Section 5.5.A.2 to Commissioners Court to grant an exception to the regulations and not require an additional north-south or east-west street along the eastern boundary of Harvest Green Sec 22 plat. The eastern boundary of Harvest Green Sec 22 is adjacent to remaining prison property located west of Oyster Creek. The City of Houston granted a variance in 2014 to only provide one point of access (60' window) to the prison property, which is being provided within the future Harvest Green Sec 23 plat located immediately south of this proposed Harvest Green Sec 22 plat.

Please call if you have any questions or need any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D. Valdez'.
