Dear Mr. Jacob:

## **1.0 INTRODUCTION**

HTS, Inc. Consultants appreciates the opportunity to present this proposal to Fort Bend County to provide Construction Materials Testing at the above referenced site.

## **2.0 SCOPE OF WORK**

It is our understanding that construction materials testing and inspection services will include the following services:

- materials testing and inspection services,
- sampling and testing for moisture density properties,
- Proof rolling, Sieve analysis, and depth of stabilized subgrade,
- inspection and testing of in place paving subgrade stabilization,
- inspection and testing of fresh concrete, and
- compressive strength testing of concrete test cylinders (7 and 28 days).

### 3.0 ESTIMATED COST

HTS proposed estimate cost to complete the scope of work as defined above is **\$25,000.00**. The estimate is based on the best possible weather and progress for this project. If estimate is not adequate to cover all necessary testing, additional funds will be requested and testing will not progress without authorization from the client. Fees for our services will be charged based on the unit rates provided in the attached fee schedule. Any additional or unforeseen testing required will be charged based on our standard HTS, Inc. Consultants fee schedule.

### 4.0 CLOSING REMARKS

We appreciate the opportunity to present this proposal and would be pleased to discuss the contents of this proposal with you at your convenience. Your approval of this proposal and your approval of our proceeding with the work may be indicated by your signing this proposal. We request that an executed copy of the proposal be provided to HTS.

If you have any questions or require additional information, please contact me at your convenience at (713) 692-8373.

Sincerely,
