Dear Valued Customer,

Picture yourself in sunny SoCal and register to join us at SYNERGY this year, where you'll deepen your knowledge and share ideas. This year we'll bring together hundreds of Thomson Reuters government software users in Southern California for five days of learning, networking, and socializing. With more than 100 sessions designed for beginner and advanced user education, you'll learn about functionality and process updates, get hands-on training, and be inspired by expert panel discussions.

## Focus on emerging tech

Make sure you explore the Innovation Lab with interactive sessions on how emerging technologies like big data, mapping, and blockchain will impact government operations.

## First look at a new launch

This year, you'll see the launch of the newest Thomson Reuters Aumentum™ software product platform. Check out new features and functionality that will dramatically enhance your user experience.

## Learn from keynote speakers

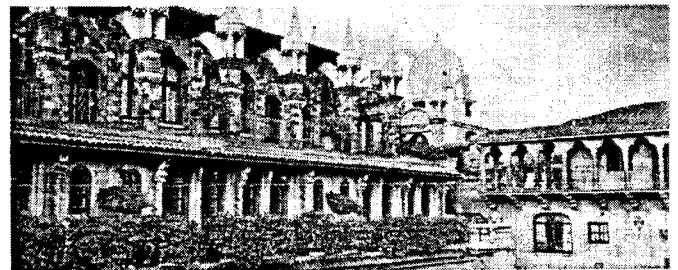

Make sure you don't miss a keynote session on September 18 from Jack Dangermond, President and Owner of ESRI Inc. We'll be sharing more speaker information as we get closer to SYNERGY.

## Senior Leadership Symposium — invite-only event for elected and appointed officials

Join leaders from Thomson Reuters, government organizations, technology partners, and industry associates as they share insights into the convergence of policy and technology.

## Community outreach

Engage with the local community while you're at SYNERGY with a special community outreach activity on Thursday, September 20.

## Unique appraisal considerations walking tour of Riverside

Every year at SYNERGY, our local customer leads a walking tour of their community. This year you'll be guided through historic downtown Riverside by local officials.

## Public Sector Champion Awards banquet dinner

Recognize your achievements and cheer the 2018 Public Sector Champion Award winners during our awards banquet. Visit our SYNERGY website to submit an award nomination.

## Hotel information

We have negotiated special rates with three conveniently located hotels within walking distance to the convention center. You can learn more and book your room by visiting [tax.tr.com/synergy/governments](http://tax.tr.com/synergy/governments)
