Good morning Cheryl,

The \$23.00 price is for the Knippa quarry which it states on your information (page 9) that was sent to Roger Olguin yesterday. The price from Rosenberg and Missouri City yards is \$45.00. Looking back in our files Trap Rock picked up at Vulcan's Rosenberg yard and Missouri City yard the price has been \$45.00 for the last three years. I do apologize for the confusion but we must cancel for the two Trap Rock items.

Please feel free to contact me if you have any questions.

Thank you,
