

Please Join Us for the Eighth Annual Courts & Justice Executive Forum September 4-6 at the St. Julien Hotel in magnificent Boulder, Colorado

This **invitation-only event** connects leaders and innovators in the justice community who are Odyssey® clients — senior court, IT, and elected officials — from some of the largest jurisdictions in the country.

Since its beginnings in 2011, the Executive Forum continues to be a popular event. It's become an annual tradition that clients and Tyler staff look forward to every year. The tradition continues this year with the eighth annual Tyler Executive Forum, and we hope you can join us. We will share our technology roadmap and key initiatives, and several of you will share your successes.

In addition, this year's [agenda](#) will place more emphasis on collecting your feedback on our direction and will be focused on four core ideas:

- **Access to Justice**
Online dispute resolution, self represented litigants
- **Empowering Legal Professionals**
Redaction, cross-jurisdiction searches
- **Connecting With Justice Partners**
Big data initiatives, sharing across agencies and jurisdictions
- **Evolving the Odyssey Foundation**
Roadmap insights, new capabilities, and your feedback

There is **no fee** to participate in this **by-invitation-only** event, but please note that we expect a large turnout and will need to limit registrations.

Please [register](#) to reserve your spot soon.

See you in Colorado!
