Congratulations – Fort Bend County, Texas has been selected to join the 2018 National Fitness Campaign!

Dear Mike,

We are pleased to announce that Fort Bend County has been selected to receive the NFC Fitness Grant, provided by official music sponsor Fit Radio, to join the 2018 National Fitness Campaign.

This letter confirms your award of \$10,000 towards building an NFC Fitness Court™ and local Campaign.

Your city has made a choice: to lead a national movement and make world class fitness free! Our team will work with you over the coming months to follow the path outlined in your grant application, to ship your NFC Fitness Court™ and to make you part of the National Campaign, promoting and activating the program in 2018.

We have assigned Avery Croteau as your dedicated Campaign Manager, your champion and partner in this program.

This grant award is the first step towards formal confirmation of your participation. The next step is a call with Avery to discuss building our partnership. This call will be scheduled for a time within the next 10 days.

Here are some of the things to look forward to in 2018:

- Opening Day Launch Party – Let's open your NFC Fitness Court™ and build a fit community!
- Fitness Court App – Learn the routines, track your score and compete in national challenges.
- Fitness Challenge – Get residents moving and engaging with City leadership
- Social Media Promotions – Local and national promotions featuring your City

On behalf of the entire NFC team, I am thrilled to invite the Fort Bend County to join us as partners in the 2018 National Fitness Campaign.

Best in Fitness,
