Fort Bend County Purchasing

Dear Ms. Torres,

Our goal at The Penworthy Company is to give you the best, most unique selection of children's books with the highest level of personal service. We are the sole source for Penworthy Prebound Books: high-interest titles in an extremely durable binding that withstands continuous circulation without need for repair or replacement.

Here's what makes a Penworthy Prebound Book unique:

1. Penworthy Prebound Books' exclusive features make them the best investment for your collection: side-sewn bindings, sturdy library board, true library corners and rounded spines to prevent fraying, and covers with high quality lamination which can be wiped clean.
2. Many Penworthy Prebound Books are only available in a paperback or trade binding from the publisher. The Penworthy Prebound format is incredibly durable and appropriate for school and library use.
3. Penworthy offers new, high-demand titles in our Penworthy Prebound binding before they are available elsewhere. In addition, we keep all inventory in stock and ready to ship.
4. We represent many small press publishers whose titles are not available through large jobbers.

Orders ship complete with no back orders or shipping charges, typically within twenty-four hours after receipt of order. In short, we make buying children's books the pleasure it ought to be!®
