

To whom it may concern

My name is Larry Callies. I am Founder and President of The Black Cowboy Museum in Rosenberg Texas. It has come to my attention of a trailer being auctioned as surplus County property. We are regularly borrowing similar trailers from friends for our events and was hoping the County could donate the trailer to my Museum. We are a registered 501c3 (attached) and hope you would consider our request.

If you have any questions, please email or call me.

Regards
