RE: Stoneroses Trail and Rollingstone Road in Fieldstone, Section 1 – "SPEED LIMIT 25"

Dear Commissioner Patterson:

Fort Bend County Engineering Department has completed the traffic control plan to place a speed limit of 25 miles per hour on portions of Stoneroses Trail and Rollingstone Road in the Fieldstone subdivision, as shown on the traffic control plan. The road currently has a speed limit of 30 mph a 90 degree turn located near a playground. Given the special characteristics of the roadway, Engineering recommends lowering the speed limit on this portion of roadway to 25 mph. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.

Sincerely,
