Subject: Letter of Support

To Whom It May Concern:

I am pleased to submit this letter in support of the Boys & Girls Clubs of Greater Houston (BGCGH). The organization hopes to partner on a proposal for a new Communities of Care initiative with your foundation, which aims to support communities in their efforts to inclusively and collaboratively cultivate resiliency, mental health, and well-being in everyday life for all members of the community, with a specific focus on children and youth of color and their families.

BGCGH is an essential youth-service provider in communities which are historically underserved in terms of youth programming. Families in these neighborhoods depend upon Clubs to provide their children with a safe, productive place to spend their time after school and during the summer. Mentors, including police department officers, offer additional guidance and support.

Having the mental health resources of the new Communities of Care initiative at Houston Metro Service Area Clubs would be an incredible benefit for area youth. It will offer them opportunities to expand their horizons and fulfill their potentials, while addressing future needs. I appreciate your consideration of the Boys & Girls Clubs of Greater Houston's proposal and hope that we have the opportunity to improve the well-being of youth and families in our community.

Sincerely,

A handwritten signature in black ink, appearing to read "KP George", with a long horizontal flourish extending to the right.
