Return to Field

What are you trying to achieve and in what timeframe?

In June, 2018 the Fort Bend County Commissioner's Court amended language to an ordinance which would allow for ear-tipped cats to be exempt from our leash law. Prior to that change, all feral/community cats were euthanized on intake. After the change, we began a pilot program in two areas of the county to introduce and educate those two communities on the benefit of a TNR feral/community cat program. Our goal is to expand the pilot program to in specific areas of Fort Bend County where data has shown there is the greatest need for the program. We would like to prove the viability of the program over a one to two year period and present the data to our Commissioners Court and request to make TNR a permanent service to the citizens of Fort Bend County. Because this is a pilot program, no funding is being provided by the County at this time so we need to rely on grant awards to implement the program and then prove through data that it is a viable program for the cats and the community. For the purposes of this request, we plan on 100 spay/neuter surgeries (including ear tipping and rabies vaccine) at our contract vet at an average cost of \$50 per cat/kitten.

How will you measure or evaluate your success?

Our plan is to measure and evaluate through data collection utilizing our Chameleon software. We will track the number of cats/kittens brought in from the pilot area(s) for 2017, 2018 and 2019, the number and cost of surgeries performed through our contract vets ad the number of complaint calls received. In reality though, our success was measured with the very first cat that was spayed/neutered for the pilot program in June 2018.

Have you, or anyone in your organization, attended or been accepted to a Maddie's® Apprenticeship Program?

If yes, which Maddie's® Apprenticeship Program(s) have you attended or been accepted to?

Did you, or anyone in your organization, attend the National Animal Care & Control Association's Training Conference in Denver, CO (October 11 - 12, 2018)?
