(DEPUTY CLERK)

STATE OF TEXAS
COUNTY OF FORT BEND

We, Victorian Gardens, Ltd., acting by and through Blake Roberts, President, and Maria Vanderzwet, Vice-President of its general partner Comcorp Interests Management, Inc., a Texas corporation, and Fort Bend County Municipal Utility District, acting by and through Robin Stoner, Board President, being an officer of Fort Bend County Municipal Utility District, owner hereinafter referred to as Owners (whether one or more) of the 28.524 acre tract described in the above and foregoing plat of CAMELLIA NORTH RESERVES, do hereby make and establish said subdivision of said property according to all lines, dedications, restrictions and notations on said plat and hereby dedicate to the use of the public forever, all streets, alleys, parks, watercourses, drains, easements and public places shown thereon for the purposes and considerations therein expressed; and do hereby bind ourselves, our heirs, successors and assigns to warrant and forever defend the title to the land so dedicated.

FURTHER, Owners have dedicated and by these presents do dedicate to the use of the public for public utility purposes forever unobstructed aerial easements. The aerial easements shall extend horizontally an additional 11 feet six inches for ten feet perimeter ground easements; five feet six inches for 16 feet perimeter ground easements; or seven feet six inches for 14 feet perimeter ground easements, from a plane 16 feet above ground level upward, located adjacent to and adjoining said public utility easements that are designated with aerial easements (U.E. and A.E.) as indicated and depicted hereon, whereby the aerial easement totals 21 feet six inches in width.

FURTHER, owners have dedicated and by these presents do dedicate to the use of the public for public utility purposes forever unobstructed aerial easements. The aerial easements shall extend horizontally an additional ten feet for ten feet back-to-back ground easements; seven feet for 16 feet back-to-back ground easements; or nine feet for 14 feet back-to-back ground easements, from a plane 16 feet above ground level upward, located adjacent to both sides and adjoining said public utility easements that are designated with aerial easements (U.E. and A.E.) as indicated and depicted hereon, whereby the aerial easement totals 30 feet in width.

FURTHER, Owners do hereby covenant and agree that all of the property within the boundaries of this plat is hereby restricted to prevent the drainage of any septic tanks into any public or private street, permanent access easement, road or alley or any drainage ditch, either directly or indirectly.

FURTHER, Owners do hereby dedicate to the public a strip of land twenty (20) feet wide on each side of the center line of any and all bayous, creeks, gullies, ravines, draws, sloughs or other natural drainage courses located in said plat, as easements for drainage purposes, giving the City of Houston, Fort Bend County, or any other governmental agency, the right to enter upon said easement at any and all times for the purpose of construction and maintenance of drainage facilities and structures.

FURTHER, Owners do hereby covenant and agree that all of the property within the boundaries of this plat and adjacent to any drainage easement, ditch, gully, creek or natural drainage way shall hereby be restricted to keep such drainage ways and easements clear of fences, buildings, planting and other obstructions to the operations and maintenance of the drainage facility and that such abutting property shall not be permitted to drain directly into this easement except by means of an approved drainage structure.

FURTHER, we do hereby acknowledge the receipt of the "Orders for Regulation of Outdoor Lighting in the Unincorporated Areas of Fort Bend County, Texas", and do hereby covenant and agree that this site has complied with or has exceeded all lighting regulations as defined within this order as adopted by Fort Bend County Commissioners Court on March 23, 2004, and any subsequent amendments.

GENERAL NOTES

- 1. Bearings were based on the Texas State Plane Coordinate System, South Central Zone (NAD83).
2. All coordinates shown hereon are Texas South Central Zone No. 4204 State Plane Grid Coordinates (NAD 83), and may be brought to surface by applying the following scale factor: 0.999878447.
3. All of the property located in this plat is within Fort Bend County, the City of Stafford's Extraterritorial Jurisdiction, Fort Bend Independent School District, 5th Street Water Supply Corporation, and Fort Bend County Water Control Improvement District No. 2.
4. According to the Federal Emergency Management Agency (FEMA), Flood Insurance Rate Map (FIRM) for Fort Bend County, Texas, Map no. 4815700145L revised/dated April 2, 2014, the subject tract appears to lie within Unshaded Zone "X". This determination was done by graphic plotting and is approximate only, and has not been field verified. This flood statement does not imply that the property or structures thereon will be free from flooding or flood damage. On rare occasions floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of Windrose Land Services.
5. All pipeline easements within the subject property are shown hereon, based on the title research provided in the city planning letter prepared by Charter Title Company, File No. 2018037772, dated May 5, 2018.
6. The drainage system for this subdivision shall be designed to meet the requirements of the Fort Bend County Drainage Criteria Manual.
7. All drainage easements shall be kept clear of fences, building, vegetation, and other obstructions for the purpose of the operation and maintenance of the drainage facility.
8. The top of all floor slab elevations shall be a minimum of _____ feet above Mean Sea Level. The top of slab elevation at any point on the perimeter of the slab shall not be less than eighteen (18) inches above natural ground. Any future development should verify that the minimum slab elevation is at least 12 inches above the maximum anticipated ponding or sheet flow elevation for the site.
9. Site plans shall be submitted to Fort Bend County and any other applicable jurisdiction for review and approval. Development Permits and all other applicable permits shall be obtained from Fort Bend County prior to beginning construction.
10. The drainage system for this subdivision shall be designed to meet the requirements of the Fort Bend County drainage criteria manual which allows for street ponding with intense rainfall events.
11. All property to drain into a drainage easement only through an approved drainage structure.
12. This plat lies wholly within Fort Bend County Lighting Zone LZ3.
13. Sidewalks shall be built or caused to be built not less than 5 feet in width on both sides of all dedicated rights-of-way within said plat and on the contiguous right-of-way of all perimeter roads surrounding said plat, in accordance with the A.D.A.
14. Subject to Section 7 (Greenspace Regulations) of the Fort Bend County Regulations of Subdivisions.
15. Unless otherwise indicated, the building lines (B.L.), whether one or more, shown on this subdivision plat are established to evidence compliance with the applicable provisions of Chapter 42, Code of Ordinances, City of Houston, Texas, in effect at the time this plat was approved, which may be amended from time to time.
16. Absent written authorization by the affected utilities, all utility and aerial easements must be kept unobstructed from any non-utility improvements or obstructions by the property owner. Any unauthorized improvements or obstructions may be removed by any public utility at the property owner's expense. While wooden posts and paneled wooden fences along the perimeter and back to back easements and alongside rear lots lines are permitted, they too may be removed by public utilities at the property owner's expense should they be an obstruction. Public Utilities may put said wooden posts and paneled wooden fences back up, but generally will not replace with new fencing.
17. An easement and R.O.W. for public street purposes (for proposed Bissounet Street extension) recorded in Vol. 605, Pg. 457, F.B.C.D.R. (superceded by plat of Bissounet Street Dedication Sec 1, as recorded under File No. 20160080, F.B.C.P.R. - shown hereon)
18. Agreement concerning an on-site sewage facility recorded under F.B.C.C.F. No. 2013089699. (blanket in nature)

I, Kevin M. Reidy, am registered under the laws of the State of Texas to practice the profession of surveying and hereby certify that the above subdivision is true and correct; was prepared from an actual survey of the property made under my supervision on the ground; that all boundary corners, angle points, points of curvature and other points of reference have been marked with iron (or other suitable permanent metal) pipes or rods having an outside diameter of not less than three-quarter inch and a length of not less than three feet, and that the plat boundary corners have been tied to the nearest survey corner.

I, Megan L. Crutcher, registered under the laws of the State of Texas to practice the profession of Engineering, do hereby certify that this plat meets all requirements of Fort Bend County, Texas, to the best of my knowledge.
Kevin M. Reidy Registered Professional Land Surveyor Texas Registration No. 6450
