Subject: RE: Fort Bend County RFP 17-044

Dear Ms. Kaminski:

Good afternoon, the Champion Defender on a Freightliner chassis will be a 2020 chassis on a 2019 Champion body, because the 2019 Freightliner chassis is no longer available. The original bid price was a 2018 chassis and body. Due to the two model year changes in the Freightliner chassis and the tariff increases on steel production, we will need to pass on a 3% price increase on the Champion Defenders. Champion has agreed to hold this price until December 31, 2019 which will include a 2020 Champion model year pricing. Model year changes occur in September of every year for the body builder but the chassis model years change when the allotment of chassis has been depleted which is usually in the spring of the year.

As a result, the Champion Defender 40' Bus would increase from \$148,745.00 to \$153,207.00 through December 31, 2019. The delivery time is still 180 days.

The medium duty Champion Defender 32' Bus also on a 26,000 GVWR Freightliner chassis would increase from \$146,245.00 to \$150,632.00 for the same justification as for the Champion Defender 40' bus. This bus will be on a 2020 Freightliner chassis and on a 2019 Champion body until delivery after August of 2019 and then both vehicles will be on a 2020 Champion body. The delivery time is still 180 days. The Price is guaranteed through December 2019.

Please let me know if you have any additional questions.

We appreciate your business.

Sincerely,
Laurie Rickaway
