RE: A. Myers – Traffic Control Plan, (Mobility Project #13102)

Dear Commissioner:

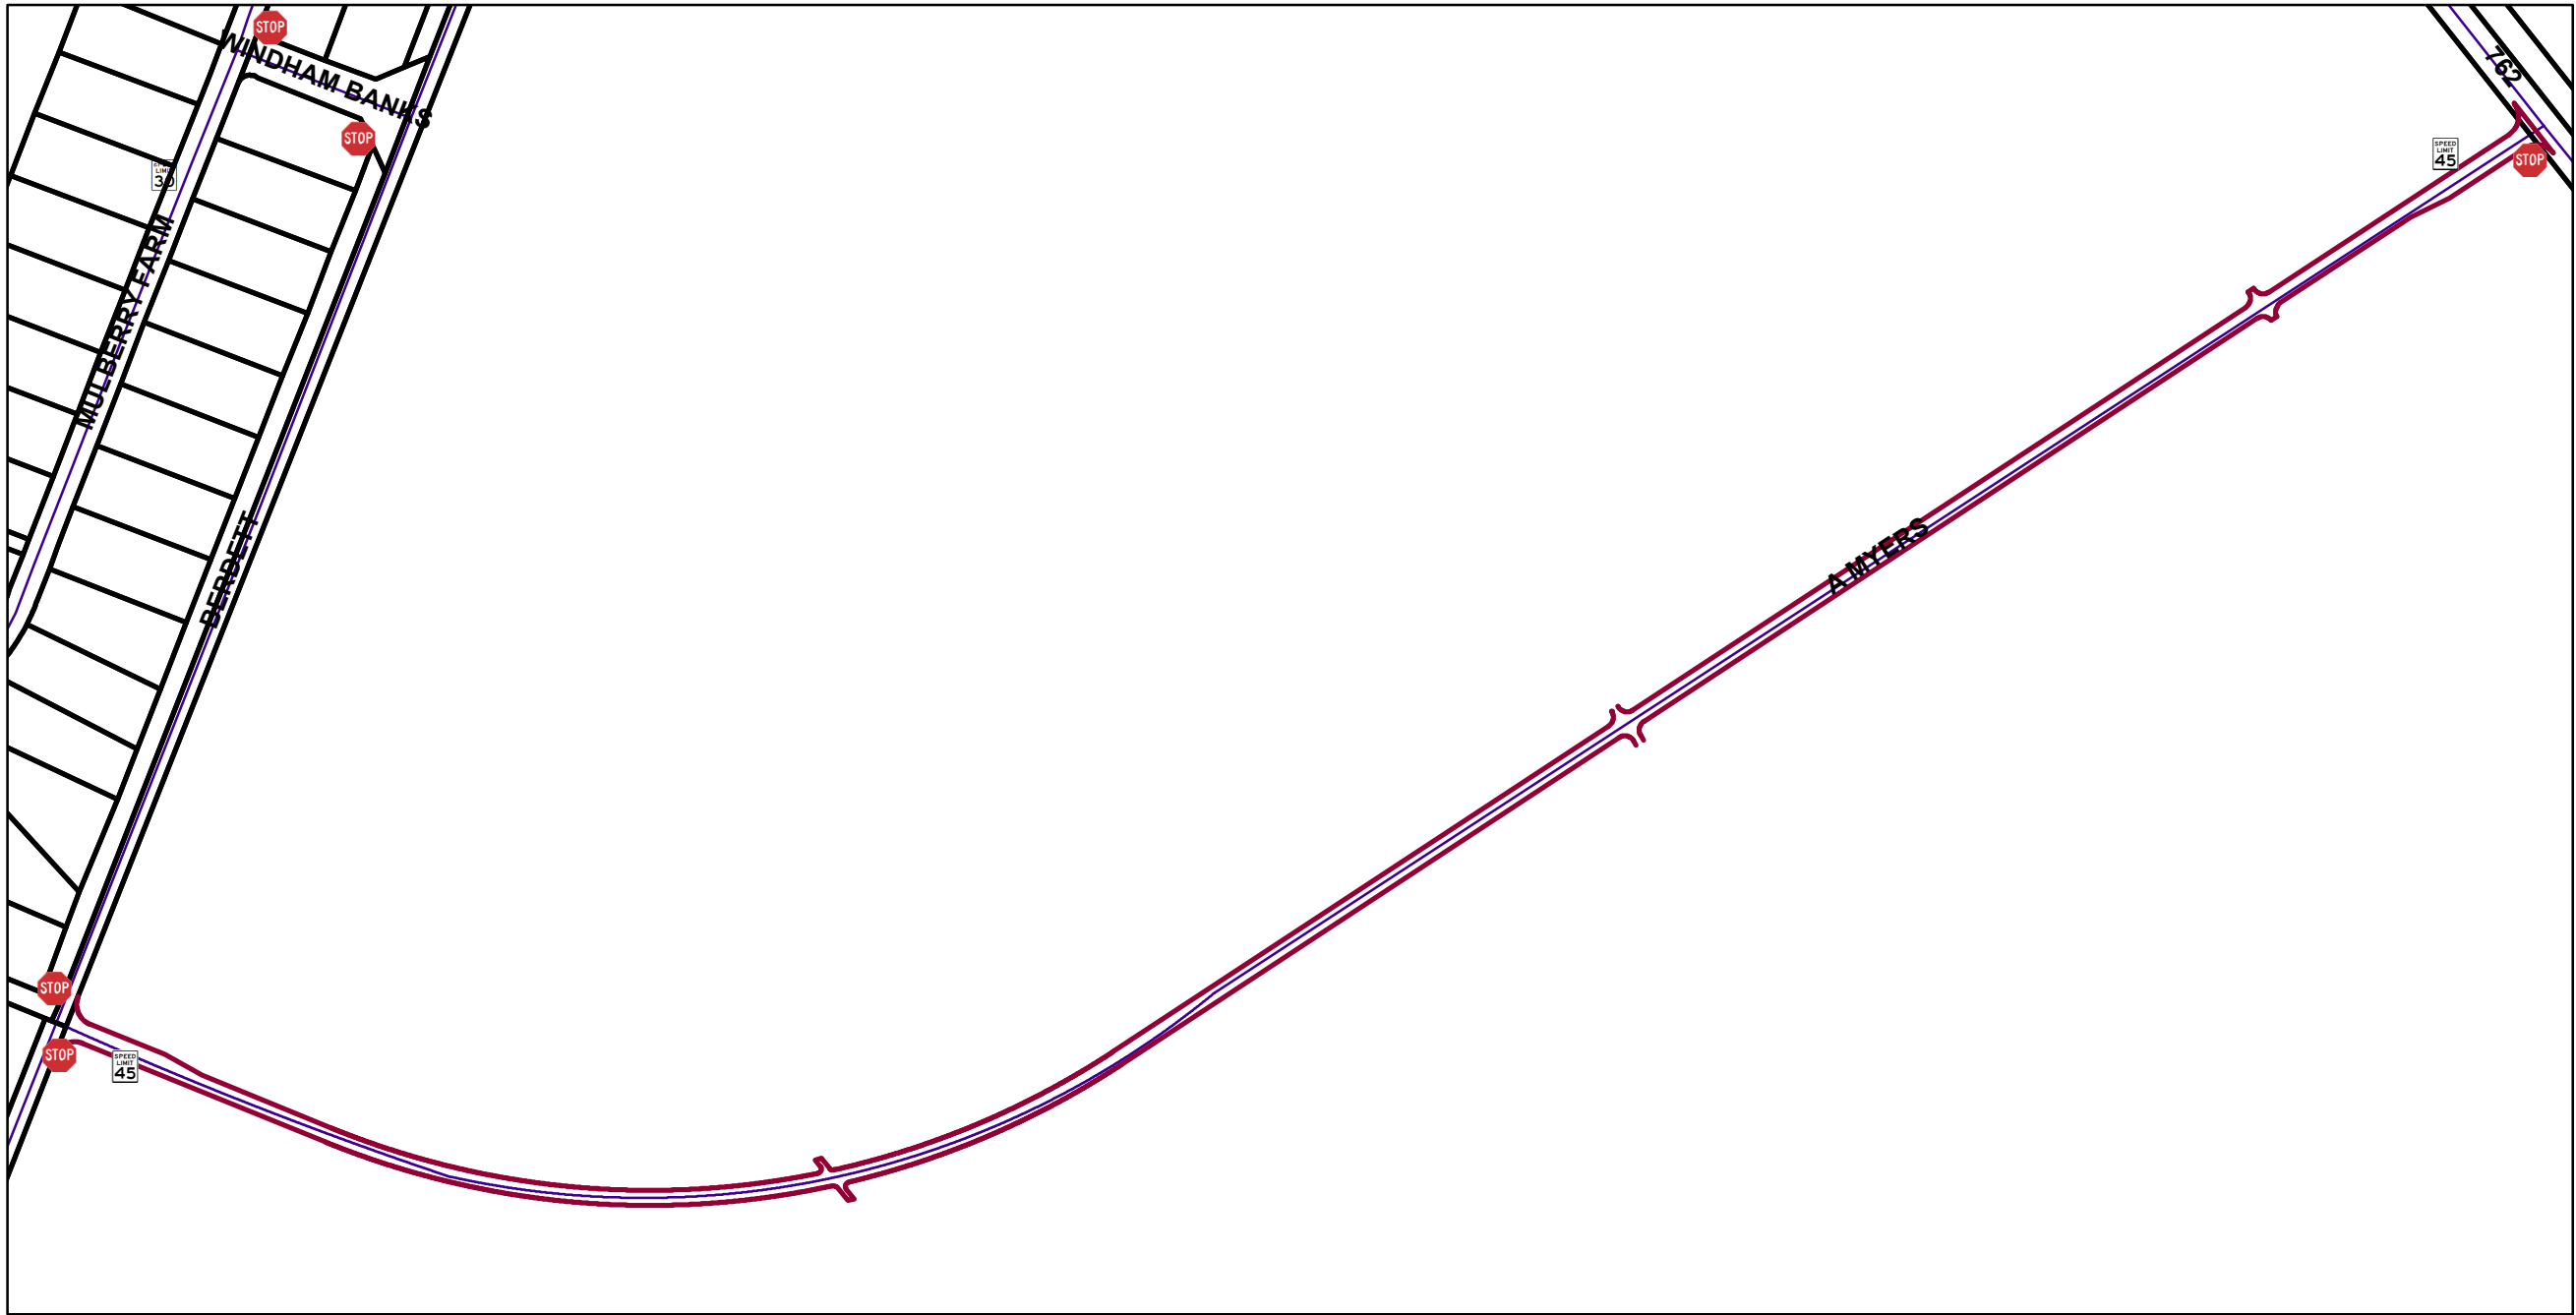

Fort Bend County Engineering Department has completed the traffic control plan for the soon to be completed mobility project, A. Myers between Berdett Road and FM 762. The plan includes a two-way stop at the intersection of A. Myers and Berdett Road. Currently, the A. Myers approach has a stop sign while the Berdett Road approaches do not. When the extension of A. Myers opens, in anticipation of A. Myers becoming the major road, the Berdett Road approaches will stop while the A. Myers approaches will not. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov

Sincerely,

Chris Debaillon, PE, PTOE
Assistant County Engineer - Traffic

cc: Judge KP George, County Judge
Marc Grant - FBC Road & Bridge
Brian Fields - Signage Department
