

2019 Vector Summit Agenda At-a-Glance

Monday, April 15	
9:00am–3:00pm	Pre-Summit Workshop: CDC Bottle Bioassay
1:00 pm–4:00pm	CSTE: Exploring the Core Components of a Comprehensive VBD Program

Tuesday, April 16		Wednesday, April 17		Thursday, April 18	
8:00–8:30am	Arrival	8:00–8:30am	Arrival	8:00–8:30am	Arrival
8:30–9:00am	Welcome & Opening	8:30–9:10am	Highlights from CDC’s Regional Centers of Excellence in Vector- Borne Diseases	8:30–10:00am	Building Sustainable Vector Control Programs
9:00–10:00am	Emerging Vector-Borne Disease Threats	9:10–10:00am	Roles and Responsibilities for Tick- related Activities		
10:00–10:30am	Break	10:00–10:30am	Break	10:00–10:30am	Break
10:30am–12:00pm	Breakout Sessions: <ul style="list-style-type: none"> • Communication & Outreach • Sustainable Vector Program • Mapping and GIS • Ixodes Scapularis 	10:30–11:15am	Discussion Groups on Regional Concerns	10:30–11:30am	Insecticide Resistance
		11:15am– 12:00pm	Emerging Technologies Showcase	11:30am– 12:00pm	Real-World Application: Putting Plans into Practice
12:00–1:30pm	Lunch	12:00–1:30pm	Lunch	12:00–1:30pm	Lunch
1:30–3:00pm	Integrated Mosquito Management	1:30–3:00pm	Interagency Partnership and Collaboration	1:30–3:00pm	Breakout Sessions: <ul style="list-style-type: none"> • Mosquito Surveillance • Tick Surveillance • Human Surveillance
3:00–3:30pm	Break	3:00–3:30pm	Break	3:00–3:30pm	Break
3:30–5:00pm	Regional Mosquito Identification Demonstrations	3:30–5:00pm	Regional Tick Identification Demonstrations	3:30–4:30pm	Vector-Borne Disease Disaster Response
				4:30–4:45pm	Closing Remarks

NOTE: Tabletop exhibits will be open throughout the summit. Click [here](#) to learn more about exhibiting.
