

2019 Transit Asset Management Roundtable for Bus Agencies

Wednesday, September 4, 2019 - Thursday, September 5, 2019
9:00 a.m. - 5:00 p.m.

The TAM Roundtable for bus operators will bring together practitioners from transit agencies across the country who are directly involved in asset management. The event is designed for smaller tier I and tier II agencies that do not operate rail and will focus on more fundamental issues related to TAM implementation. This meeting is an excellent opportunity for your agency to share lessons learned through your asset management process, and gain valuable insights from your peers. Multimodal operators may register but may be better served by the [Multimodal Roundtable Event](#).

[Register](#) by July 5, 2019. Roundtable registration will be on a first come, first served basis and will be opened to waitlisted attendees.
