

Fort Bend County Engineering  
FORT BEND COUNTY, TEXAS

J. Stacy Slawinski, P.E.  
County Engineer

April 26, 2019

Commissioner Grady Prestage  
Fort Bend County Precinct 2  
303 Texas Parkway, Suite 213  
Missouri City, Texas 77489

**RE: Bellaire Blvd at Westmoor Dr – All-Way Stop Control**

Dear Commissioner Prestage:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Bellaire Boulevard at Westmoor Drive in response to a request for all-way stop control. The intersection currently operates with stop control on Westmoor Drive. Bellaire Boulevard has a posted speed of 35 mph and is identified as a Major Thoroughfare in the 2015 Fort Bend County Major Thoroughfare Plan. Westmoor Drive has a posted speed of 35 mph and is identified as a Collector.

In the last ten months, there have been seven crashes at this intersection that would be susceptible to correction by an all-way stop. As this satisfies the crash criteria of the all-way stop warrant in the Texas Manual on Uniform Traffic Control Devices, an all-way stop is warranted and Engineering recommends the conversion of the intersection to all-way stop control.

A copy of the traffic control plan is attached for your review. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

If you have any questions please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).

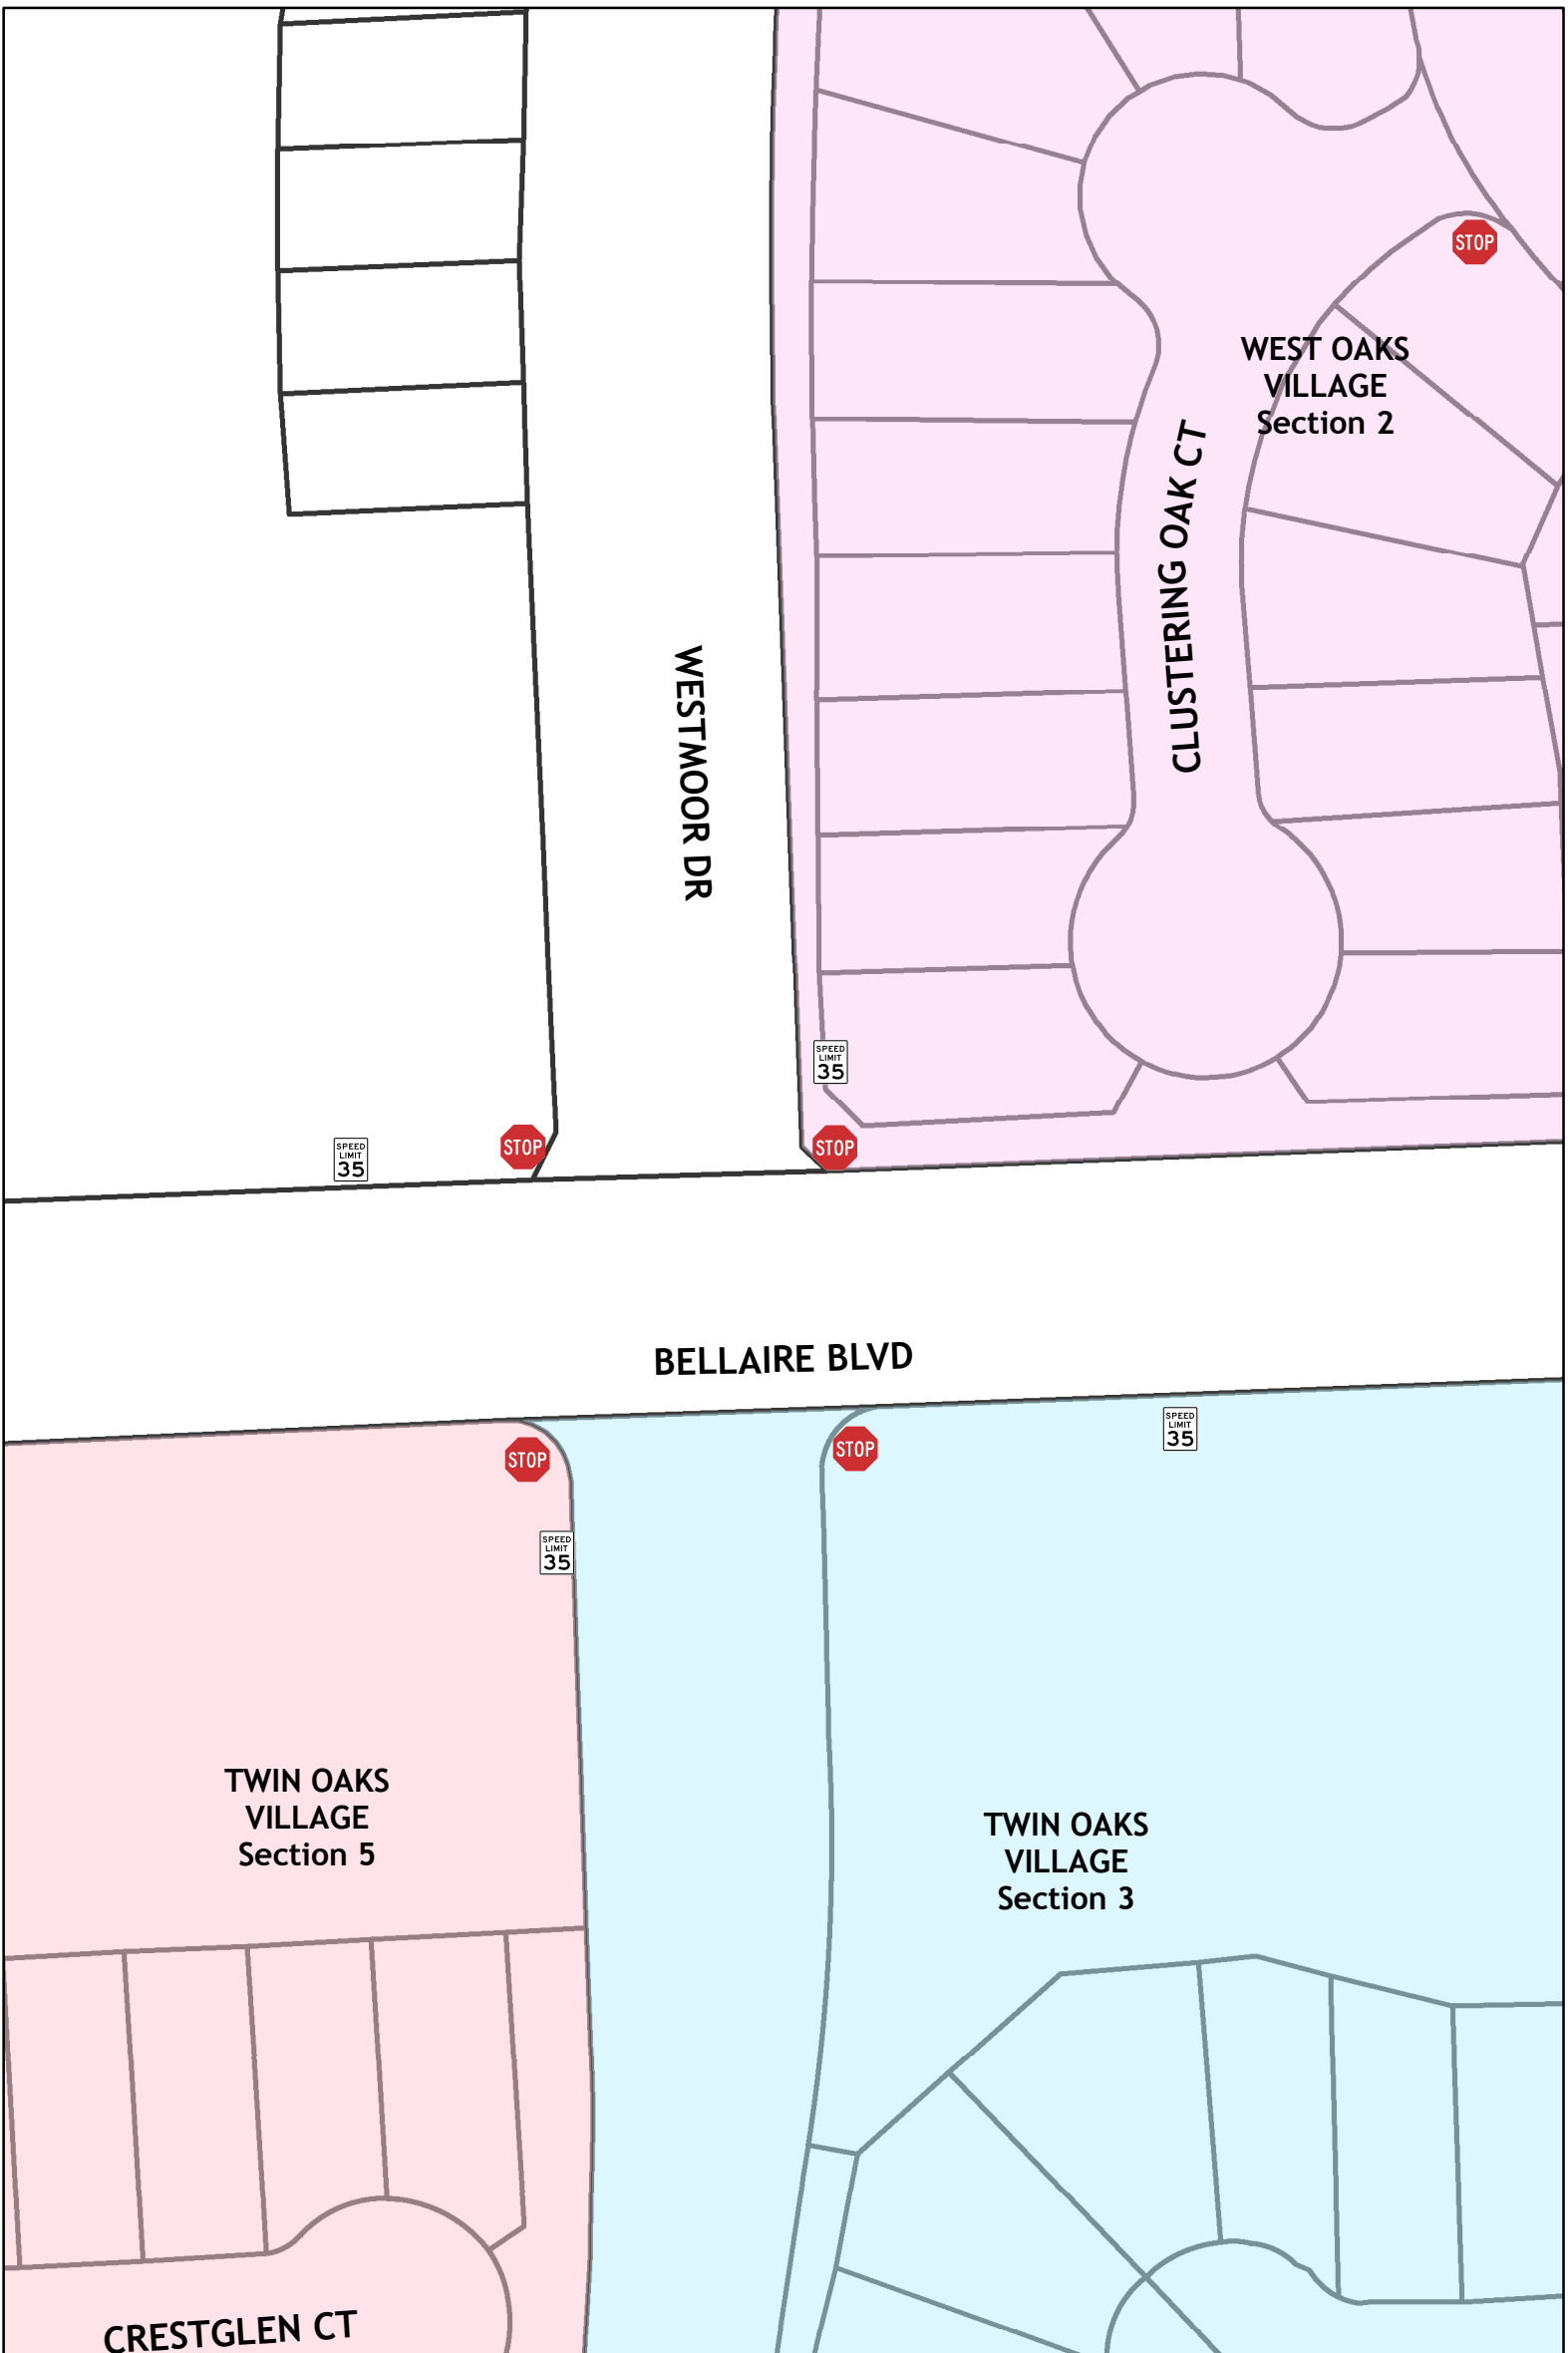

Regards,

Chris Debaillon, PE, PTOE
