Re: Fort Bend County: Lake Olympia Ext. Seg-1
Professional Surveying Services for Updating
Parcel 10 - Survey Cost Proposal

Mr. Sepulveda:

GeoSurv, Inc. dba TSC Surveying (GeoSurv/TSC) is pleased to submit the following proposal for performing professional surveying services on the captioned project.

Project Overview

This proposal is for additional services to perform work for updating parcel 10 with the new ownership to KB Homes with a new parent tract configuration (a 73.67 acre tract). Also, Parcel 10 will now be designated as a 50-foot wide strip of land for a drainage easement.

Scope of Services

1. Abstracting Services – Update the property research to be brought forward to the current ownership.
2. Field Survey - Located and field tie the parent tract corners which have changed configuration when KB Homes acquired the property. Recover corners previously called for in Parcel 10 and locate and re-set if not found.
3. Prepare parcel map and Property Description – prepare final documents to be used for property acquisition sealed and signed by an R.P.L.S.

Compensation

GeoSurv/TSC proposes to complete the work described in the Scope of Survey Services above for a Total Lump Sum Fee of \$6,800.00 without further modification to the scope.
