Fort Bend County - Purchasing

Re: Fort Bend County Bid 18-006 - Term Contract for Concrete Pavement Rehab.

Attn: Cheryl Krejci

S&C Construction Co., Inc. requests a 5% increase for this project due to the following; \$5.00/cubic yard increase in concrete, \$0.75/ton increase in cement stabilized sand, and an annual increase in G.L. insurance.

(see attachments) Thanks for your consideration.

	<u>Current Price</u>	<u>5%incr. Price</u>
Concrete Pave. rem. & repl. -	\$92.40	\$97.02
Concrete Pave. re. & repl. 6"-	86.90	91.25
Concrete Pave. rem. & repl. 7"-	90.20	94.71
Concrete Pave. rem. & repl. 8"	92.40	97.02

DUE NET 30 DAYS FOLLOWING PURCHASE

To our Loyal Customer,

We would like to take this opportunity and thank you for your continued business with Allied Concrete. Allied has been notified of price increases in cement, sand, hard rock, and limestone effective April 1, 2019. We received a fly ash price increase effective January 1<sup>st</sup>, and anticipate another increase mid-year. These increases, coupled with rapidly rising labor costs will increase ready mix prices as follows.

**Effective April 1, 2019:**

Ready Mix Prices will increase \$8.00 per cubic yard.

Plus/minus 500 psi will result in a \$3.00/yard +/- variance.

Plus/minus 1/2 sack will result in a \$3.00/yard +/- variance.

Aggregate smaller than 1.5" will increase mix cost by \$3.00/yard.

Short load fees will be enforced on loads less than 7 cubic yards.

Orders scheduled before 10 a.m. that are cancelled less than 24 hours in advance, outside weather related cancellations, may incur cancellation fees. Customers with no overdue account balances will receive scheduling priority. For quality control purposes, the smallest load that can be dispatched is 3 cubic yards. Due to the volatility in fuel costs, a fuel surcharge was implemented effective October 1, 2018. This fuel surcharge will be assessed on each load delivered and be tied to the price of diesel fuel according to the U.S. Energy Information Administration. Please see attached schedule for detail.

All current bid projects will continue to be priced according to the original quote, including any escalations. The purpose of this notice is to allow your company sufficient time to adjust future bids and budgets.

As always, we truly appreciate the relationship we have shared with you over the years and we look forward to extending that relationship well into the future. Allied Concrete takes great pride in being the industry leader in service and dependability, and we are excited about the partnership we share in the future of Houston construction.

**Allied Concrete Fuel Surcharge (Effective October 1, 2018)**

A fuel surcharge of \$5 to \$20 per delivered load will be added when diesel prices rise above \$3.001 per gallon.

The fuel index used to determine diesel prices will be defined as "Gulf Coast (PADD3) for U.S. On-Highway Diesel Fuel Prices. Weekly prices can be found at <https://www.eia.gov/petroleum/gasdiesel>.

Average diesel prices will be established on the first calendar day of each month and maintained for the entire month.

The current fuel surcharge will be listed at \$0 per load.

Average Diesel Price	Surcharge Per Load
\$0.000 - \$3.001	\$0.00
\$3.001 - \$3.250	\$5.00
\$3.251 - \$3.500	\$10.00
\$3.501 - \$3.750	\$15.00
\$3.751 - \$4.000	\$20.00
\$4.001 - \$4.250	\$25.00
\$4.251 - \$4.500	\$30.00
\$4.501 - \$4.750	\$35.00
\$4.751 - \$5.000	\$40.00
