Subject: Multiple Use Agreement (MUA) between Texas Department of Transportation (TxDOT) and Fort Bend County regarding Canoe and Kayak Launch Facilities being located at the east bank of the Brazos River on the north side of its intersection with Texas FM 1093 and on the east bank of the Brazos River at the north side of its intersection at Texas FM 1489

Dear Mr. Mapes:

Please accept this letter as notice of Fort Bend County's intent to terminate the above-referenced agreement effective upon notice of receipt of this letter, pursuant to Section 7 of the Agreement.

The MUA was signed on April 27, 2010, for the purpose of allowing for the construction, maintenance and operation of a public Canoe & Kayak Launch on the highway Right of Way as best described in Exhibit A and Exhibit B to the Agreement. Since that time, and in light of the last three flood events occurring in Fort Bend County, the Canoe & Kayak Launch locations are no longer conducive to recreational activities as originally planned. The County wishes to discontinue the facilities use as a Canoe & Kayak Launch. Any and all construction on the site has been cleared by the floods and or by the removal by other individuals. The area is now clear of all facilities that were added to the site pursuant to the Agreement.

In addition to the termination of the Agreement, the County is also requesting that the canoe launch signs at the Canoe and Kayak Launch be removed. With TxDOT's permission, the County is prepared to remove those signs at your direction.

Thank you in advance for your cooperation and assistance with the termination process. In the event you require any additional information, please contact my office.

Sincerely,

KP George
County Judge
Fort Bend County
