## Session definitions

### Technical Workshops

Led by Esri staff, these 60-minute workshops focus on concepts, best practices, and how the platform and technology work.

### User Presentation

Users facing similar challenges share innovative GIS projects in the form of case studies during these 60-minute sessions.

### Demo Theater Presentations

Led by Esri staff, these 45-minute technical "how-to's" focus on execution of specific GIS tasks, rather than concepts.

### Expo Spotlight Talks

These 20-minute talks in small group settings illuminate what resources are available at the conference.

## Future conference dates
