**RE: Plantation River Parkway
Street name change from Plantation River Parkway to Sienna River Parkway**

Dear Commissioner Morales:

The Plantation River Parkway plat was recorded on 6/26/2018, Instrument #20180169. Toll-GTIS is requesting the street name be changed from Plantation River Parkway to Sienna River Parkway. The reason for the name change is for simplicity and to maintain the familiarity of the Sienna name across the entire community. (see attachments). No parcels or lots are addressed off of this segment at this time. The FBC Addressing Committee name change request form is attached.

The request has been placed on the 6/25/2019 agenda to set the public hearing. If you have any questions please do not hesitate to call.

Sincerely,

Maggie Dalton
Development Services Manager

Honorable Commissioner Vincent Morales,
Please consider this as a request to change a road name that was recently platted. Toll-GTIS is the owner and developer of this area within Sienna. I'm requesting the following road name change:

Current name: Plantation River Parkway
Proposed Name: Sienna River Parkway

The reason for the name change is for simplicity and to maintain the familiarity of the Sienna name across the entire community. The area is still under construction, so at this time there are no residents that are serviced by the future county road.

Thank you for your consideration of this request. I've provided my contact information in the case that there are any additional questions.

Sincerely,

Joe Castillo
