Honorable District Judges and Members of
Commissioners Court
Fort Bend County, Texas 77469

Gentlemen:

The Monthly Unaudited Financial Report for the seven months ending April 30, 2019, is hereby submitted. This report was prepared pursuant to Section 114.023 of the Local Government Code of the State of Texas.

The Monthly Unaudited Financial Report is divided into three sections. The first is the Introduction with this letter; the remaining two are as follows:

Financial: The primary reporting areas of the financial section include the Basic Financial Statements and Other Supplementary Information:

Basic Financial Statements: These statements are presented as Government-Wide and Fund Financials.

Government-Wide financials segregate governmental activities (which are those financed through taxes, intergovernmental revenues, and other nonexchange revenues) from business-type activities (which are financed through specified user fees or charges). These statements use the full-accrual method of accounting along with the 'economic resources measurement focus' to more closely resemble non-governmental/private sector entities.

Fund financials are prepared for the primary government on the modified accrual basis (revenues are recognized when measurable and available). Discretely presented component units (Toll Road, Flood Control, and Housing Finance Corp.) are not included in these statements. These statements include the major governmental funds (General, special revenue, capital projects, and debt service) separately, non-major governmental funds summarized, proprietary funds (enterprise-business type, and internal service), and fiduciary funds (agency, and trust). A budget to actual schedule is also presented for General Fund. Fund accounting is used by the County to be fully accountable for collection and use of public resources, thereby demonstrating compliance with the lawfully permitted use of County resources.

Other Supplementary Information: This section details out the fund financials in combining statements and schedules to show each fund managed by the County. Budget to actual schedules are also presented for Road and Bridge, Drainage, and Debt Service.

Statistical: This section presents the current financial information along with the last eight to ten years in comparative schedules.

Please contact the Auditor's Office if any questions arise or if any additional information is needed.

Respectfully submitted,

Ed Sturdivant
County Auditor
Fort Bend County, Texas
