RE: Temporary Closure of Median Opening on LJ Parkway at Lake Riverstone Drive

Dear Commissioner:

Fort Bend County Engineering Department has completed the traffic control plan for signing to supplement the temporary curbing closing the median on LJ Parkway at Lake Riverstone Drive. This closure will prohibit left turns from Lake Riverstone Drive while still allowing left turns from LJ Parkway. The median will be re-opened and all turn prohibitions removed when the planned traffic signal at this intersection is operational. The public hearing date for acceptance of the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytx.gov.

Sincerely,

Chris Debaillon, PE, PTOE
Assistant County Engineer - Traffic
