

THE STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

DEVELOPMENT AGREEMENT
(FM 359 Realignment)

THIS DEVELOPMENT AGREEMENT (the "Agreement") is entered into by and between Fort Bend County, Texas (hereinafter referred to as "the County"), a body politic acting herein by and through its Commissioners' Court and JDS Nursery Tract LLC, a Texas limited liability company, (hereinafter referred to as "Owner"), a company authorized to conduct business in the State of Texas. The County and the Owner may be individually referred to as a "Party" or collectively as the "Parties."

WHEREAS, the Owner proposes to develop multiple subdivisions of 200 acres of land situated in the John Foster 2-1/2 League Survey, Abstract No. 26, and 231.53 acres of land situated in the John Foster 2-1/2 League Survey, Abstract No. 26, in Fort Bend County, Texas (the "Owner Property"); and

WHEREAS, FM 359 is a state-maintained roadway and adjacent to the Owner Property and the County has entered into a Letter of Understanding with the State (MOA FM 359 – CS-19-MOA-35730) attached as Exhibit A; and

WHEREAS, Owner and County desire to enter into this Development Agreement to memorialize the terms in which the Owner will dedicate a portion of its Owner Property within a subdivision plat to be submitted for approval of the County, and contribute to funding future improvements to FM 359, if certain conditions are met.

NOW, THEREFORE, in consideration of the covenants and conditions contained in this Agreement, the County and Owner agree as follows:

1. Owner's Responsibilities. The Owner agrees to perform the following:
 - (a) Perform a Drainage Study for review and approval by the County and the Texas Department of Transportation ("TxDOT"). The Drainage Study will cover the proposed improvements within the area extending from FM 359 at 3000 feet south of FM 1093 to 4000 feet south of Fulshear Gaston Road (the "Project"), which will also be used to determine conveyance for areas north of the Project and detention needs within the Project limits. The Project will also include outfall locations for the FM 359 drainage and existing conveyance needs.
 - (b) Perform Environmental studies for review and approval by the County and TxDOT for the Project.
 - (c) Develop Plans, Specifications, and Estimates (PS&E) package for the Project for review and approval by the County and TxDOT for review and approval.
 - (d) Dedicate a portion of its Owner Property ("New FM 359 ROW") to Fort Bend County for right of way purposes to accommodate the future realignment of FM

359 to include the right of way ("ROW") and easements determined by the approved PS&E and the County's Regulation of Subdivisions. Owner's dedication of the New FM 359 ROW must be conveyed in compliance with requirements of the TxDOT.

- (e) Construct a two-lane asphalt road with shoulders and open-ditch drainage meeting TxDOT standards within the New FM 359 ROW to serve as the newly realigned portion of FM 359 (collectively, the "New Highway"). Further, Owner will provide all of the necessary resources, including but not limited to construction inspection, materials testing, and daily construction logs, to complete the New Highway for acceptance by TxDOT.
- (f) Provide detention for ultimate 6-lane roadway and associated improvements for the Project within the Owner Property as well as conveyance for TxDOT as determined in the Drainage Study.
- (g) Owner shall dedicate the landscape easements or reserves along New FM 359 per MOA FM 359 – CS-19-MOA-35730 when TxDOT widens FM 359 to the ultimate configuration at no cost to the County. The Owner is prohibited from conveying its interest in the landscape easements and reserves to another entity such as a municipal utility district or home owners association that requires a vote of the general membership to dedicate the easements or reserves to the County or TxDOT. Such further conveyance, if necessary, must be done at no cost to the County or TxDOT.
- (h) In the event that it is determined the County owes funds to TxDOT on the ROW exchange, Owner shall contribute these funds to the County.
- (i) Dedicate a portion of its Owner Property, to be determined upon completion of the design of the Project, to the "Public" for right of way purposes to accommodate the future improvements to Fulshear Gaston Road to include a minimum right of way width of one hundred feet (100') increasing up to one hundred thirty-two feet (132') in width within five hundred linear feet (500 LF) of the intersection with the New Highway at no cost to the County. Ultimate right-of-way requirements will be developed during design but, in general, the proposed right-of-way will be split evenly on the north and south side of Fulshear Gaston Road except through the limits of Covey Trails, where all the right-of-way shall be dedicated by the Owner. Owner is not responsible for any costs associated with construction of Fulshear Gaston Road except for ROW dedication.
- (j) Present subdivision plats to the County to develop the Property in sections in accordance with the County's Regulation of Subdivisions:
 - (I) Prior to submitting its initial subdivision plat to develop any portion of Owner Property, Owner shall provide a Traffic Impact Analysis (TIA) for their overall development to the County;

- (II) The TIA will be the basis for creation of future Development Agreements that will outline phasing and construction of the New Highway Improvements and other improvements associated with the development.

2. County's Responsibilities. In exchange for Owner's commitment to perform as stated in section above, the County agrees perform the following:

(a) Acquire the portion of existing FM 359 right of way located south from Fulshear Gaston Road to the connection with the New FM 359 ROW and convey that property no longer needed for roadways to the Owner; and

(b) Present the proposed subdivision plats meeting the requirements of the Fort Bend County Regulation of Subdivisions to Commissioners Court for consideration and approval. County agrees Owner may submit plat applications to develop up to twenty percent (20%) of the proposed residential lots with a minimum area of 4,750 square feet, subject to Owner providing, or causing to be provided, a public sanitary sewer system to serve the Owner Property.

(c) Construct future widening of Fulshear Gaston Road from Reece Lake Drive to FM 359 at the proposed new location.

(d) Fund traffic signal installation at the intersections of New FM 359 and future Fulshear Gaston Road, New FM 359 and JDS Nursery Tract LLC main entrance, and Fulshear Gaston Road at JDS Nursery Tract LLC main entrance, if warranted.

3. Disclaimer/Waiver of Damages/Liability

(a) Owner acknowledges and agrees that County is not providing any guarantee, representation and/or warranty, and County hereby disclaims any guarantee, representation and/or warranty, of any work performed by County, or their agents, employees, representatives, contractors, subcontractors and/or designees, in connection with the construction of any roadway, in whole or in part.

(b) Owner acknowledges and agrees that County shall in no way be liable for any damages, if any, which may be sustained by the Owner and/or Owner Property, resulting, in whole or in part, directly or indirectly, from County's failure to complete its responsibilities stated herein by any certain date and/or as set forth in this Agreement.

(c) Owner hereby releases County, its officers, agents, representatives and employees, from and against, and waives any and all rights to, any and all claims and/or demands for damages (personal or property), injury (including death), it/they may have with regard to the construction and/or completion of any roadway subject to this Agreement and/or any other act and/or omission relating, directly or indirectly, to the construction and/or completion of any roadway subject to this Agreement, in whole or in part, as provided in this Agreement, except to the extent any such claims arise due to, or damages are caused by, the negligence, breach of this Agreement or willful misconduct of County or its authorized officers, agents, representatives or employees

- (I) TAKING UNDER THE TEXAS OR UNITED STATES CONSTITUTION;
- (II) VIOLATION OF THE TEXAS TRANSPORTATION CODE, AS IT EXISTS OR MAY BE AMENDED;
- (III) NUISANCE; AND/OR
- (IV) CLAIM FOR DAMAGES AND/OR REIMBURSEMENT AGAINST COUNTY FOR A VIOLATION OF ANY FEDERAL AND/OR STATE CONSTITUTION, STATUTE AND/OR CASE LAW AND/OR FEDERAL, STATE AND/OR LOCAL ORDINANCE, RULE AND/OR REGULATION.

(b) OWNER RELEASES COUNTY FROM ANY AND ALL CLAIMS OR CAUSES OF ACTION BASED ON EXCESSIVE OR ILLEGAL EXACTIONS ARISING OUT OF OR RELATED TO THIS AGREEMENT.

(c) OWNER WAIVES ANY CLAIM FOR DAMAGES AND/OR REIMBURSEMENT AGAINST COUNTY FOR A VIOLATION OF ANY FEDERAL AND/OR STATE CONSTITUTION, STATUTE AND/OR CASE LAW AND/OR FEDERAL, STATE AND/OR LOCAL ORDINANCE, RULE AND/OR REGULATION ARISING OUT OF OR RELATED TO THIS AGREEMENT.

(d) THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

5. Limitations of Agreement. The parties hereto acknowledge this Agreement is limited to the development of Owner Property only. Further, this Agreement does not waive or limit any of the obligations of Owner to County under any other order whether now existing or in the future arising.

6. Default. In the event Owner fails to comply with any of the provisions of this Agreement within sixty (60) business days after Owner's receipt of written notice thereof from County, County shall have the following remedies in addition to County's other rights and remedies, at law or in equity:

- (a) to refuse to accept any portion of any public improvements on the Owner Property and/or associated with the development of the Owner Property; and/or
- (b) to refuse to finally accept the Owner Property and/or any portion thereof; and/or

Honorable KP George

Richmond, TX 77469

Dear Judge KP George,

Our negotiations for an exchange of highway right of way, easements, and the future transfer of abandoned highway right of way and easement has progressed to the point that it is thought to be in the best interest of both Fort Bend County (“County”) and the Texas Department of Transportation (“TxDOT”) that we commit to writing our mutual understanding.

It is hereby agreed and understood that:

Phase 1: Transfer of Easements: Fort Bend County and TxDOT agree to exchange TxDOT’s easements as show in Ex. A (Vol 243 Page 139) for Fort Bend County Drainage District’s easement as shown in Ex. B (Vol.897 Page 235). Both easements are depicted in the attached Ex. C. TxDOT makes no warranty as to the state or quality of the title of the easement in Ex. A.

Phase 2: Building the Alternate Alignment and Acquiring the ROW for the Ultimate Alignment: Fort Bend County will build, at its own expense, an alternate alignment of FM 359 consisting of an interim two-lane, asphalt roadway as shown in Exhibit D and provide adequate drainage for the ultimate design of FM 359 within project limits (approximately 3000 feet south of FM 1093 to 4000 feet south of Fulshear Gaston Road). The County further agrees to acquire right of way in fee for the ultimate and final alignment of FM 359 as shown in Exhibit D. Fort Bend County will facilitate the Technical Reports for a Categorical Exclusion for the roadway realignment for review and approval by TxDOT. Fort Bend County agrees to facilitate a Drainage Study for FM 359 from 3000 feet south of FM 1093 to 4000 feet south of Fulshear Gaston Road to determine conveyance for areas

north of the project and detention needs within the project limits. The project will also provide outfall locations for the FM 359 drainage and existing conveyance needs. The CSJ 0543-02-078 has been established for this segment of FM 359. Before construction of the new interim alignment, completed plans, including the drainage plan for the ultimate design, will be submitted to TxDOT for review and approval. TxDOT's approval shall not be unreasonably withheld and when approved the plans will be made a part hereof in all respects. TxDOT shall approve or disapprove the completed plans within 90 days of submission of the completed plans or execution of this agreement, whichever is latest. Construction shall not commence until plans have been approved by TxDOT. Please note all right of way acquired needs to be acquired in fee simple with title sufficient to comply with TxDOT's standards and in accordance with the Uniform Act. Fort Bend County shall meet the set back requirements for all development along the ultimate alignment when acquiring the right of way. After punch list items have been completed, the interim roadway can be opened to traffic and the existing FM 359 roadway permanently closed to traffic and the old FM 359 pavement may be obliterated.

Phase 3 – Exchange New FM 359 for the Old FM 359 with Drainage Easement:

TxDOT will take the new interim alignment of FM 359 onto the State's system and then TxDOT will convey the old alignment and drainage easement previously acquired in Phase 1 as shown in Ex. B and Ex. D approximately 10.92 acres to the County in exchange for the new interim alignment of approximately 11.61 acres being conveyed to TxDOT. TxDOT makes no warranty as to the state or quality of the title it owns in the "old" alignment of FM 359 or the drainage easement. The interests in each tract of land owned by the County and TxDOT will be appraised after construction is complete.

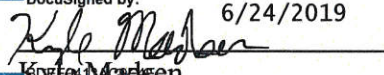

General Provisions:

If the value of any of the County's land or easement is of greater value than TxDOT's interest in the land or easement, the County will donate the difference. If the value of the TxDOT's land/easement is of greater value than the County's land, then the County agrees to acquire the TxDOT's land/easement through its statutory disposal procedures. It is acknowledged that these transactions will be revenue positive or neutral for TxDOT and under no circumstances will these transactions be revenue negative for TxDOT. Finally, please note the above referenced transactions are subject to the statutory constraints and approvals from the Texas Transportation Commission, Office of Attorney General, and the Governor.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Texas Department of Transportation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
