Your District may choose to extend Workers' Comp coverage to their volunteers in order to avoid a potentially significant liability exposure. If an individual volunteering for the District is injured and unable to work for some time and is not covered by Workers' Comp, he may sue the District in an attempt to recover the financial costs associated with his injury and loss of income.

EXAMPLES

Workers' Comp provides coverage for the District's Board of Directors when they are doing business, at any time, on behalf of the District...for example:
