Tyler Connect 2020

Sunday, April 26 - Wednesday, April 29, 2020

Three Great Reasons to Join Us at Tyler Connect

Gain Knowledge

Choose from hundreds of classes, workshops, and in-depth training sessions that will give you new and innovative tools to help make your job easier. Many of our classes are approved for continuing professional education (CPE) credits for career advancement. And don't forget to carve out some time to visit one of our Solution Hubs to share ideas, see new products, and learn new ways to achieve your goals.

Make Connections

Tyler Connect provides you with networking opportunities at all levels. Whether you want to talk to people from your region, connect with those from similar agencies, or exchange practical product use ideas — you can find and fuel these relationships at Connect.

Share a Vision

At Tyler, we imagine a world where all city, county, and regional government services are connected within a healthy digital infrastructure. Connecting data, processes, and people makes communities safer, smarter, and more responsive to the needs of residents.

ROI

Connect 2020 is the perfect venue for you to interact with your peers and Tyler staff — make new connections, strengthen existing relationships, and gain product knowledge. Still unsure if Connect is right for you? This full-conference ROI planning document will help calculate the cost and benefit of attending.
