Re: Victoria Garden Drive and Musket Ridge Drive Storm Sewer Repair
Traffic Control Plan for Temporary Road Closure
Pecan Grove Municipal Utility District
17-020-103

To Whom It May Concern,

Pecan Grove Municipal Utility District is constructing drainage improvements along Victoria Garden Drive. The contractor, HTI Construction, needs to close portions of Victoria Garden Drive and Musket Ridge Drive, near Bullhead slough, to all but local traffic. We propose the lane closure from November 6, 2019 to November 27, 2019. HTI Construction will be removing a section of the existing storm sewer and replacing with larger storm sewer to alleviate ponding in the intersection of Victoria Garden Drive and Musket Ridge Drive.

Attached is the Traffic Control plan for your reference which has been reviewed and approved by Fort Bend County. Please let me know if you have any questions.

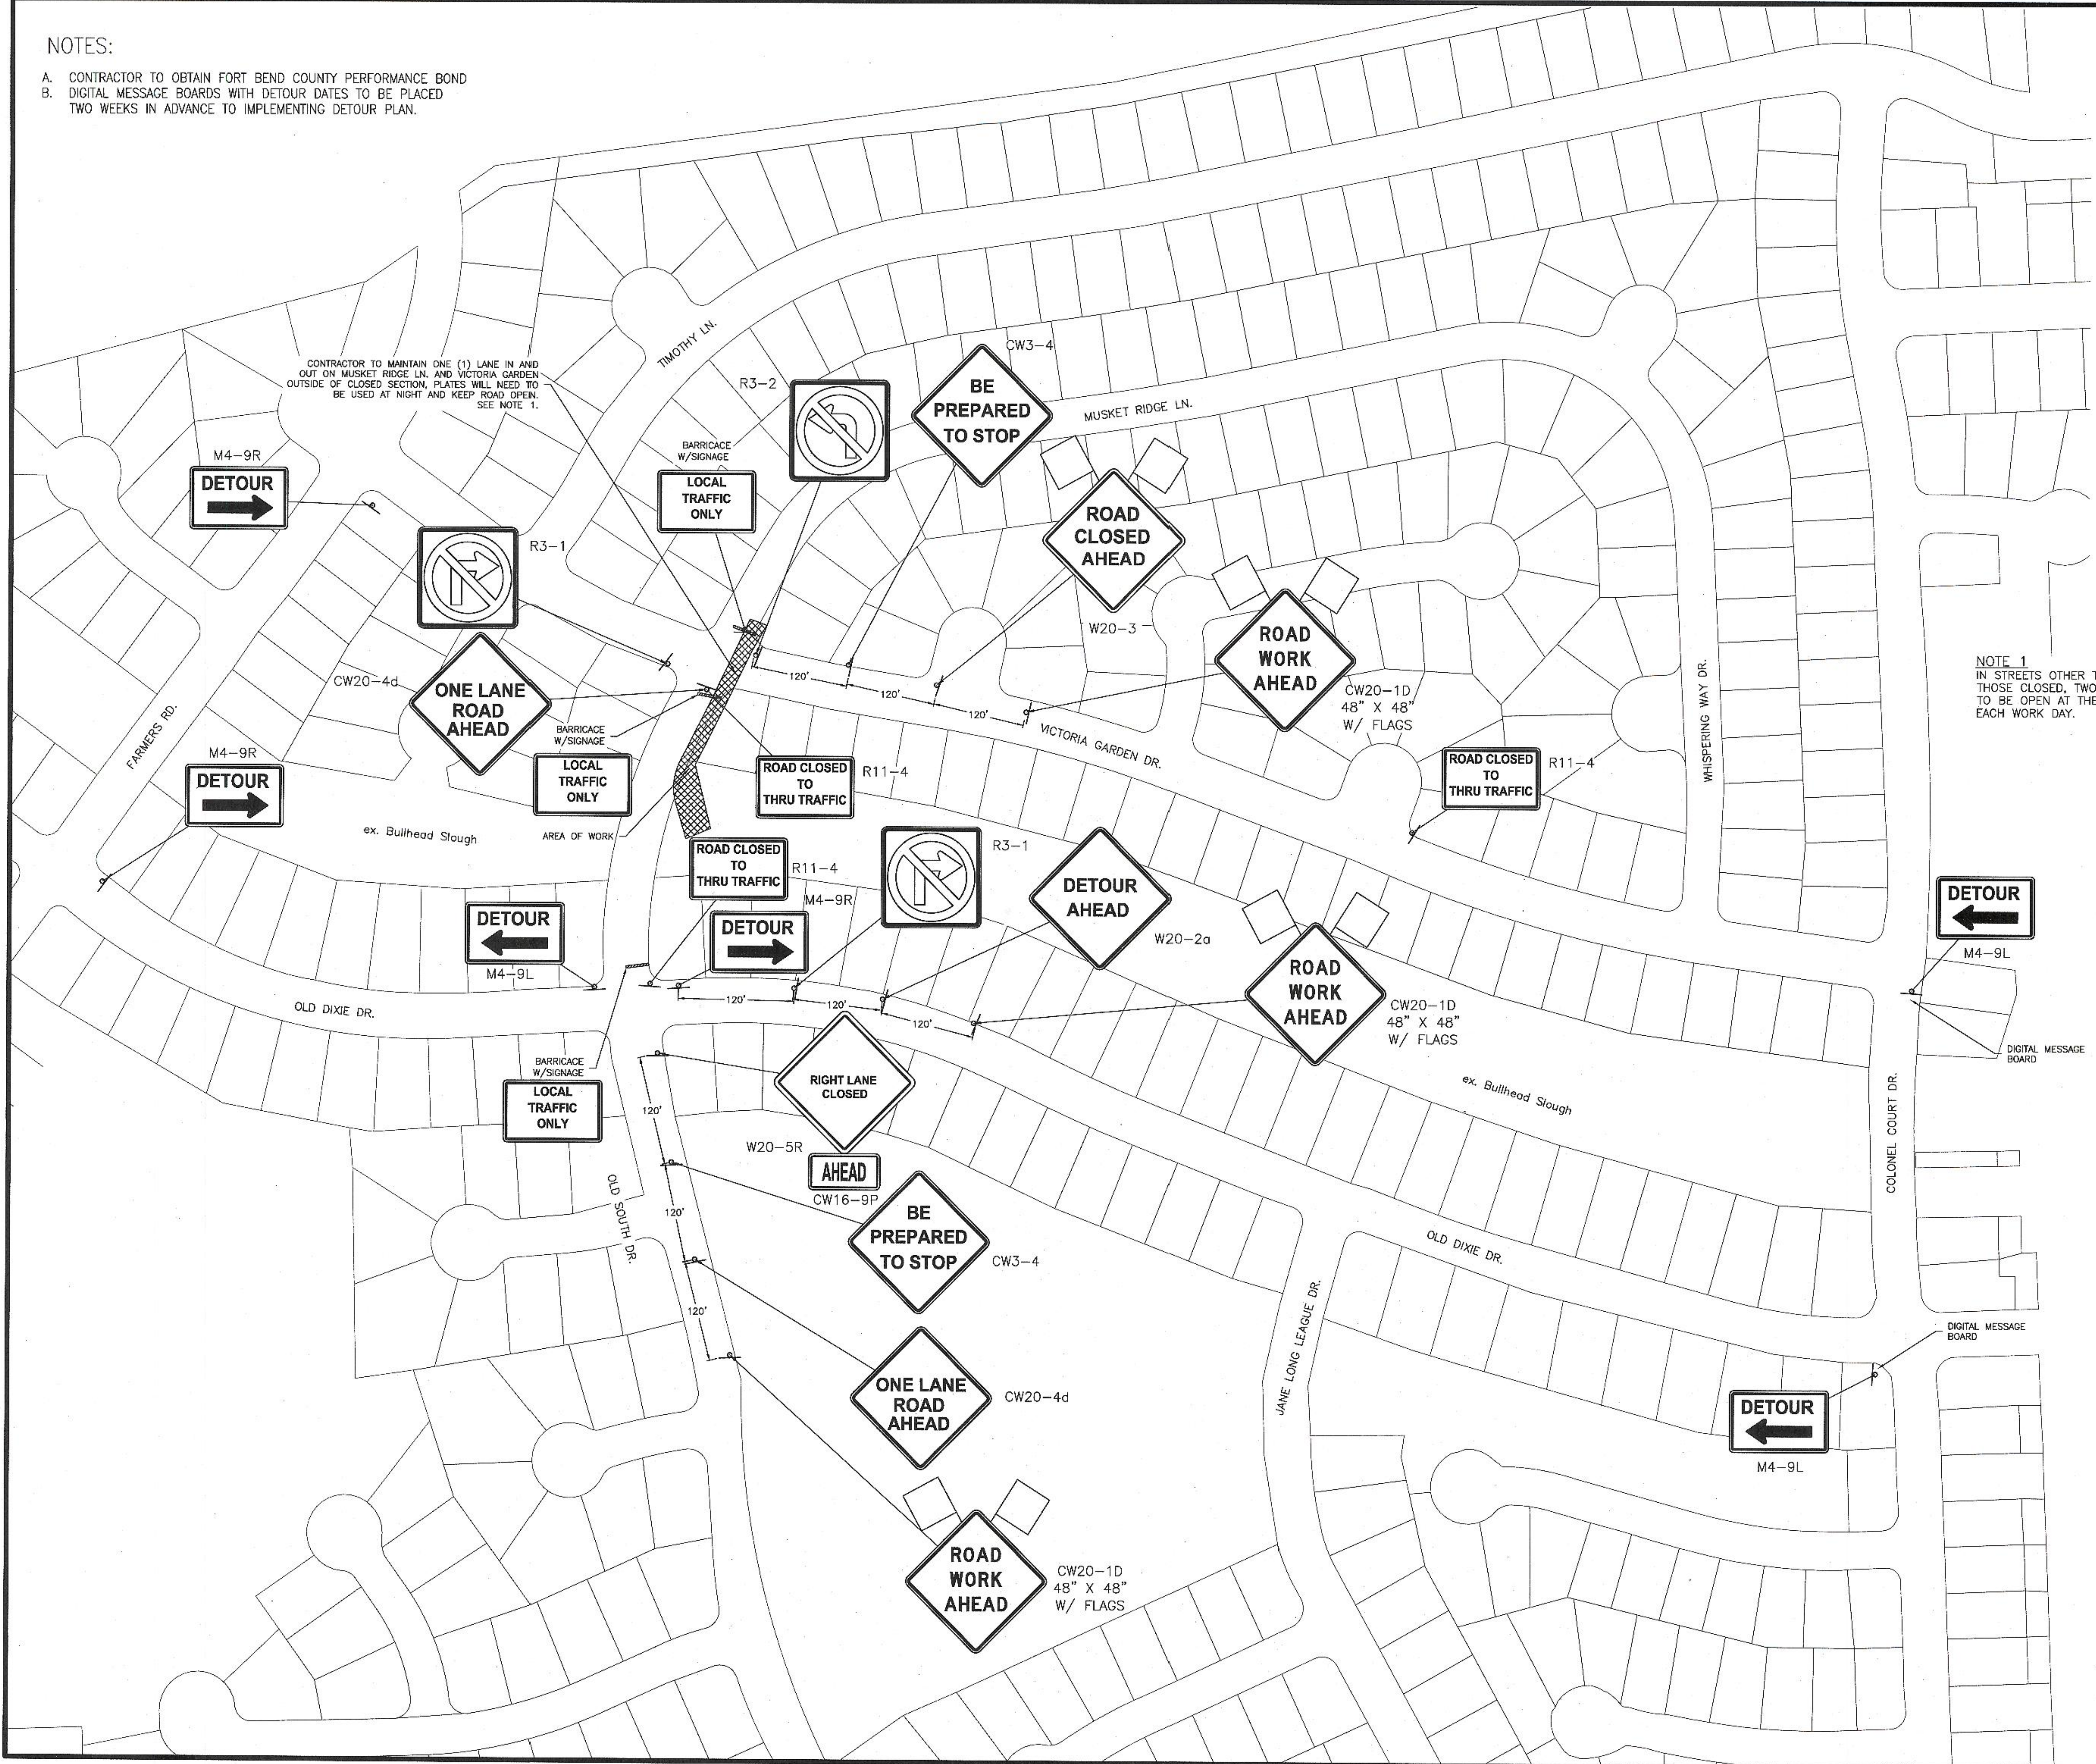

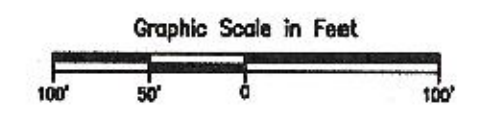

Sincerely,
