Enhance your CIO leadership strategy

In 2020, CIOs will see the use of digitalized products and services drive new forms of growth. New sources of revenue, business value and opportunities to engage with customers and citizens require you to lead your organization to the next level. Gartner CIO Leadership Forum 2020 prepares you for your new job as a growth leader. Gain the inspiration, leadership skills and strategic ideas you need to succeed in this new era.

Bold Leadership

Become a proactive and empowered business partner — shape culture, generate revenue and drive value.

Meaningful Networking

Build a strong professional network with leaders who understand your most critical priorities.

Powerful Insights

Ignite innovation in your business by identifying and engaging intellectual capital and drawing on disparate networks of knowledge.

The Gartner difference

Gartner is the world's leading research and advisory company. We equip leaders and their teams in every major business function with the indispensable insights, advice and tools to achieve their mission-critical priorities today and build the successful organizations of tomorrow. Across every industry and enterprise size, Gartner provides the expertise needed to tackle your key initiatives, stay ahead of competition and grow your organization's value.
