Re: 2020 Preliminary Estimate of Value

Dear Carrie Surratt,

The Fort Bend Central Appraisal District is required by the Property Tax Code to deliver certified preliminary estimates of the taxable values of property in each taxing entity on or before April 30 of each tax year. Attached is a copy of your entity's preliminary estimates of values as of April 22, 2020. Please keep in mind that, although certified, this is still an estimate.

It is very early in the process and there are upcoming events that will impact your estimated value. A large number of personal property accounts are expected to submit renditions before the May 15 automatic extension deadline. Additionally, your values may be impacted by applications for freeport exemptions, agricultural valuation, other late exemption applications, and abatements, as applicable.

The majority of appraised value notices for real property accounts were mailed before April 15. The protest deadline for these accounts is May 15, 2020. If any property owner has questions regarding an appraisal notice, please encourage them to contact our office prior to the protest deadline.

We anticipate a much higher volume of appeals this year due to a combination of increases in values based on the strength of the market on January 1 and the COVID-19 pandemic and resulting economic turmoil this spring. Because of these factors, there could be significant changes between this estimate of value and the certified value in July. This year, we are providing you with a suggested reduction amount to reflect the uncertainty of the upcoming appeals process. The suggested amount was determined following a review of prior-year data (enclosed).

The Appraisal Review Board is scheduled to begin hearings on May 20. The anticipated certification date is July 20. The start and certification dates could be significantly impacted by any additional federal, state, or local orders relating to COVID-19. In the event the appraisal roll is not certified by July 20 as the result of such an order or other unforeseen circumstances, the appraisal district will provide your taxing unit with an estimate of taxable value no later than July 25. If a certified estimate of taxable value of property in the taxing unit is provided at the end of July you will use that certified estimate of value to calculate your no-new-revenue tax rate and your voter-approval rate.

Our office wants to work with you during this time to ensure that you have the information necessary for your taxing entity's processes. We are available to assist you in determining the values of property in your taxing unit for budgetary purposes. Please do not hesitate to contact me with any questions or concerns regarding your preliminary values.

Sincerely,

Jordan T. Wise, RPA, CTA, CCA
Chief Appraiser
