Fort Bend County Commissioners Court  
401 Jackson  
Richmond, Texas

Dear Commissioners Court Members:

The Fort Bend County Crime Victim's Response Team "CVRT" is Fort Bend County's coordinated community response team on domestic violence and sexual assault issues. Members include local law enforcement, the Fort Bend County District Attorney's Office and other local agencies that help victims of violence. CVRT is also a 501(c)(3). Last fall, in partnership with the Fort Bend County DA's Office, CVRT held a fun run with the purpose of raising awareness about fighting violent crime and supporting local non-profits that help victims of violent crime. The proceeds from the DA Fun Run have been accepted by this Court via request from the County Auditor.

CVRT is asking for a \$10,000 disbursement from that DA Fun Run line item to be used to distribute grants to local non-profits that help victims of violent crime. A committee of CVRT members has received grant applications from local non-profits and will distribute grant awards at CVRT's 14<sup>th</sup> Annual Crimes Against Persons Conference.

Sincerely,

Chad Bridges  
President, FBC CVRT
