

Adopt-a-Pet.com COVID-19 Emergency Grant Application

COVID-19 is affecting animal shelters and rescues across the country. That's why we've been raising money from the people who visit our site to help aid in your efforts to save animals during this critical time. To apply for a financial grant from Adopt-a-Pet.com's COVID-19 Emergency Fund, fill out the form below and your application will be considered for a grant. We will continue to raise funds throughout this crisis and new grants will be awarded as they become available. As always, thank you for what you do for the animals!

Tell us a little bit about how you will be using the funds if you are awarded a grant from Adopt-a-Pet.com? *

With more than 80% of our dogs in foster during this crisis, we struggle with being able to provide emergency medical services and behavior training opportunities especially for first time fosters. We are looking to create a cushion fund for these issues so that we can try to help our fosters with whatever they may need now so that they can continue to foster their dog beyond this emergency situation and then help us to help them connect to the community to find a permanent home for them.

How much would you like to receive if you are awarded? *

- \$500
- \$1000
- \$2000

Would you be willing to share photos, videos, and stories of how the money has helped you during the COVID-19 crisis? *
