RE: Donation in support of the Fort Bend County improvements at Landfill Entrance

Dear Mr. Akinwande,

I am pleased to enclose a check for \$2,000.000 (two thousand dollars) in support of the Fort Bend County improvements at Landfill Entrance. Once the funds have been deposited into the appropriate account, I respectfully request that this donation be used to fund the construction of a driveway at the Landfill.

Sincerely,

A handwritten signature in black ink that reads "Robert Nelson". The signature is fluid and cursive, with the first name "Robert" and last name "Nelson" clearly legible.
