(Company)

(A separate affidavit will be required for each Contractor, unless all work was assigned to a General Contractor who accepts responsibility for all work. Each affidavit may be qualified by a description of work performed by the applicable contractor.)

APPENDIX K

INDEPENDENT TESTING LABORATORY CERTIFICATION

Plat/Project Name: _____

Based on the services provided by _____,

I, _____, a professional engineer licensed/registered in the State of Texas, confirm that the samples of the materials tested and/or the elements of the work observed, to the best of my knowledge, met the requirements specified in the approved construction documents applicable to: (plat/project name).
Items identified in the construction material testing reports and summary will be discussed during the inspection and added to the punch list as needed. This is a statement of my professional opinion, and shall not be construed as a guarantee or warranty of any kind.
