Dear Honorable KP George and Ms. Barbara Vass,

Congratulations on the approved Pet Foster Care Stimulus Grant of \$2,500!

In the past, the ACH payment contact was set up in Bill.com (our third party, secure vendor) as Ed Sturdivant, County Auditor. Is he still with your agency, and if so, would still be the most appropriate person to receive payment notifications?

If not, we're happy to update the record to reflect Maria Segura as the ACH payment contact, as indicated in the application. Please advise.

Thanks for all you do for animals, and happy Memorial Day weekend!

Sincerely,  
Irene
