Mobility Project 13114**

Dear Commissioner:

A final inspection of the streets for the above referenced project were made, and all of the deficiencies have been corrected. This mobility project removed a portion of Williams Way Blvd within Sovereign Shores Estates and constructed a full twenty-five foot (25') divided boulevard street. The construction included turn lanes, median openings and a bridge crossing Rabbs Bayou, all constructed within a one-hundred twenty foot (120') Right of Way. The portion of Williams Way Blvd removed during construction within Sovereign Shores Estates will be removed from the Fort Bend County Road Log. The removed portion will be incorporated into the newly constructed boulevard's total length. The street footage length and adjustments to the Road Log resulting from this project are as follows:

Williams Way Boulevard	(remove 0.20 miles Sovereign Shores Estates portion)
Williams Way Boulevard	5,405.95 LF (1.02 miles) from US Hwy 59 to FM 762

If you should have any questions or need additional information please feel free to call 281-633-7514.

Sincerely,

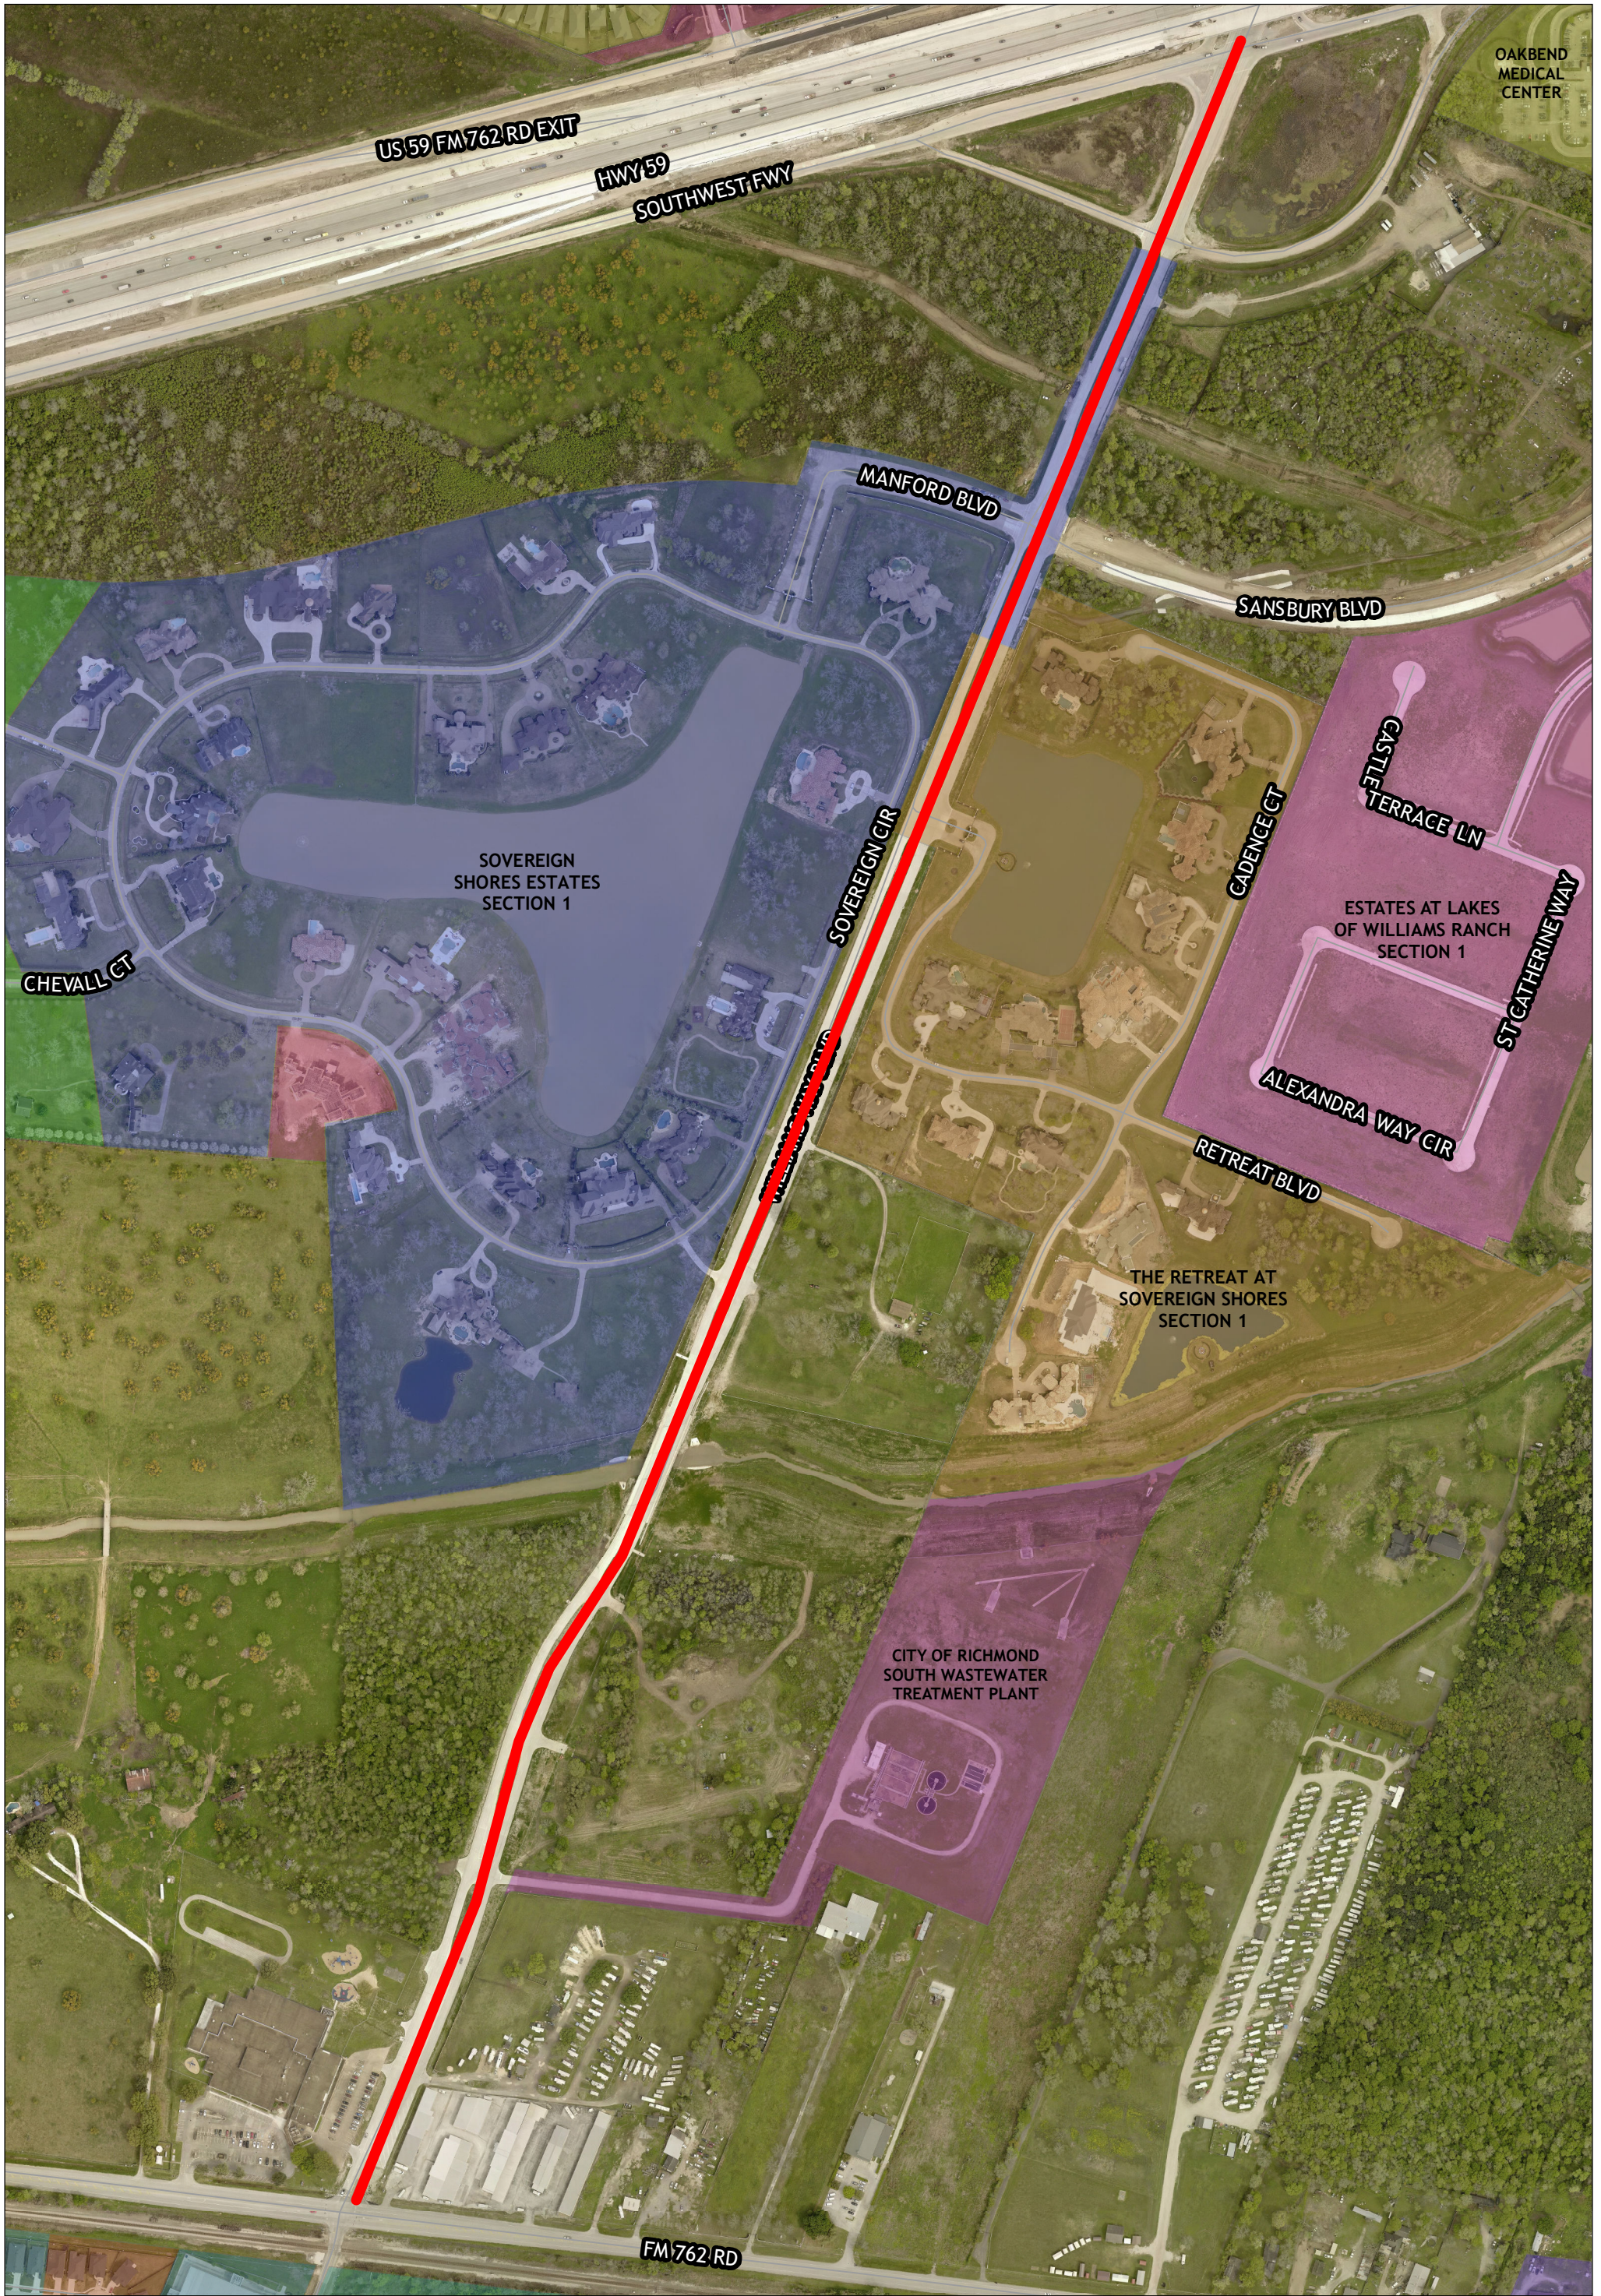

Westley Crawford
Construction Manager
