Mobility Project 13111**

Dear Commissioner:

A final inspection of the road for the above referenced was made, and all of the deficiencies have been corrected. Sansbury Boulevard Section 1 and Section 2 were constructed into a full twenty-five foot (25') divided boulevard street. These portions of Sansbury Boulevard right-of-ways were dedicated to Fort Bend County by separate instruments, and needs to be added to the road log (4,212.13 LF). The street footage length for this project are as follows:

Sansbury Boulevard 1,479.91 LF (0.28 miles from Grand Estates Drive to Canyon Lake Drive)
Sansbury Boulevard 2,732.22 LF (0.52 miles from Williams Way Boulevard to Grand Estates Drive)

There is no bond for this project.

If you should have any questions or need additional information please feel free to call.

Sincerely,

Wesley Crawford
Construction Manager
