

## VEHICLE MAINTENANCE DEPARTMENT

Fort Bend County, Texas

(281) 341-4790  
Fax (281) 341-4799

October 21, 2020

Unit # T118 was brought in for service last week. It was determined that the radiator was leaking and the engine was knocking. The engine has internal damage. Due to the age and mileage and cost of repairs, it is my recommendation that we retire this unit.

T118

2014 Tahoe

81400 miles

Starting estimate for repairs

\$ 4208.32

Thank you,
