Dear Commissioner:

Fort Bend County Engineering has completed the traffic control plan for Powerline Road from Sunrise Meadow Drive to Spice Springs Lane, establishing traffic control for the recently completed Powerline Road mobility project. With completion of the mobility project, the mobility project aligned the street with the 2-lane road, shoulders and roadside ditches between Sunrise Meadow Drive and Spice Springs Lane.

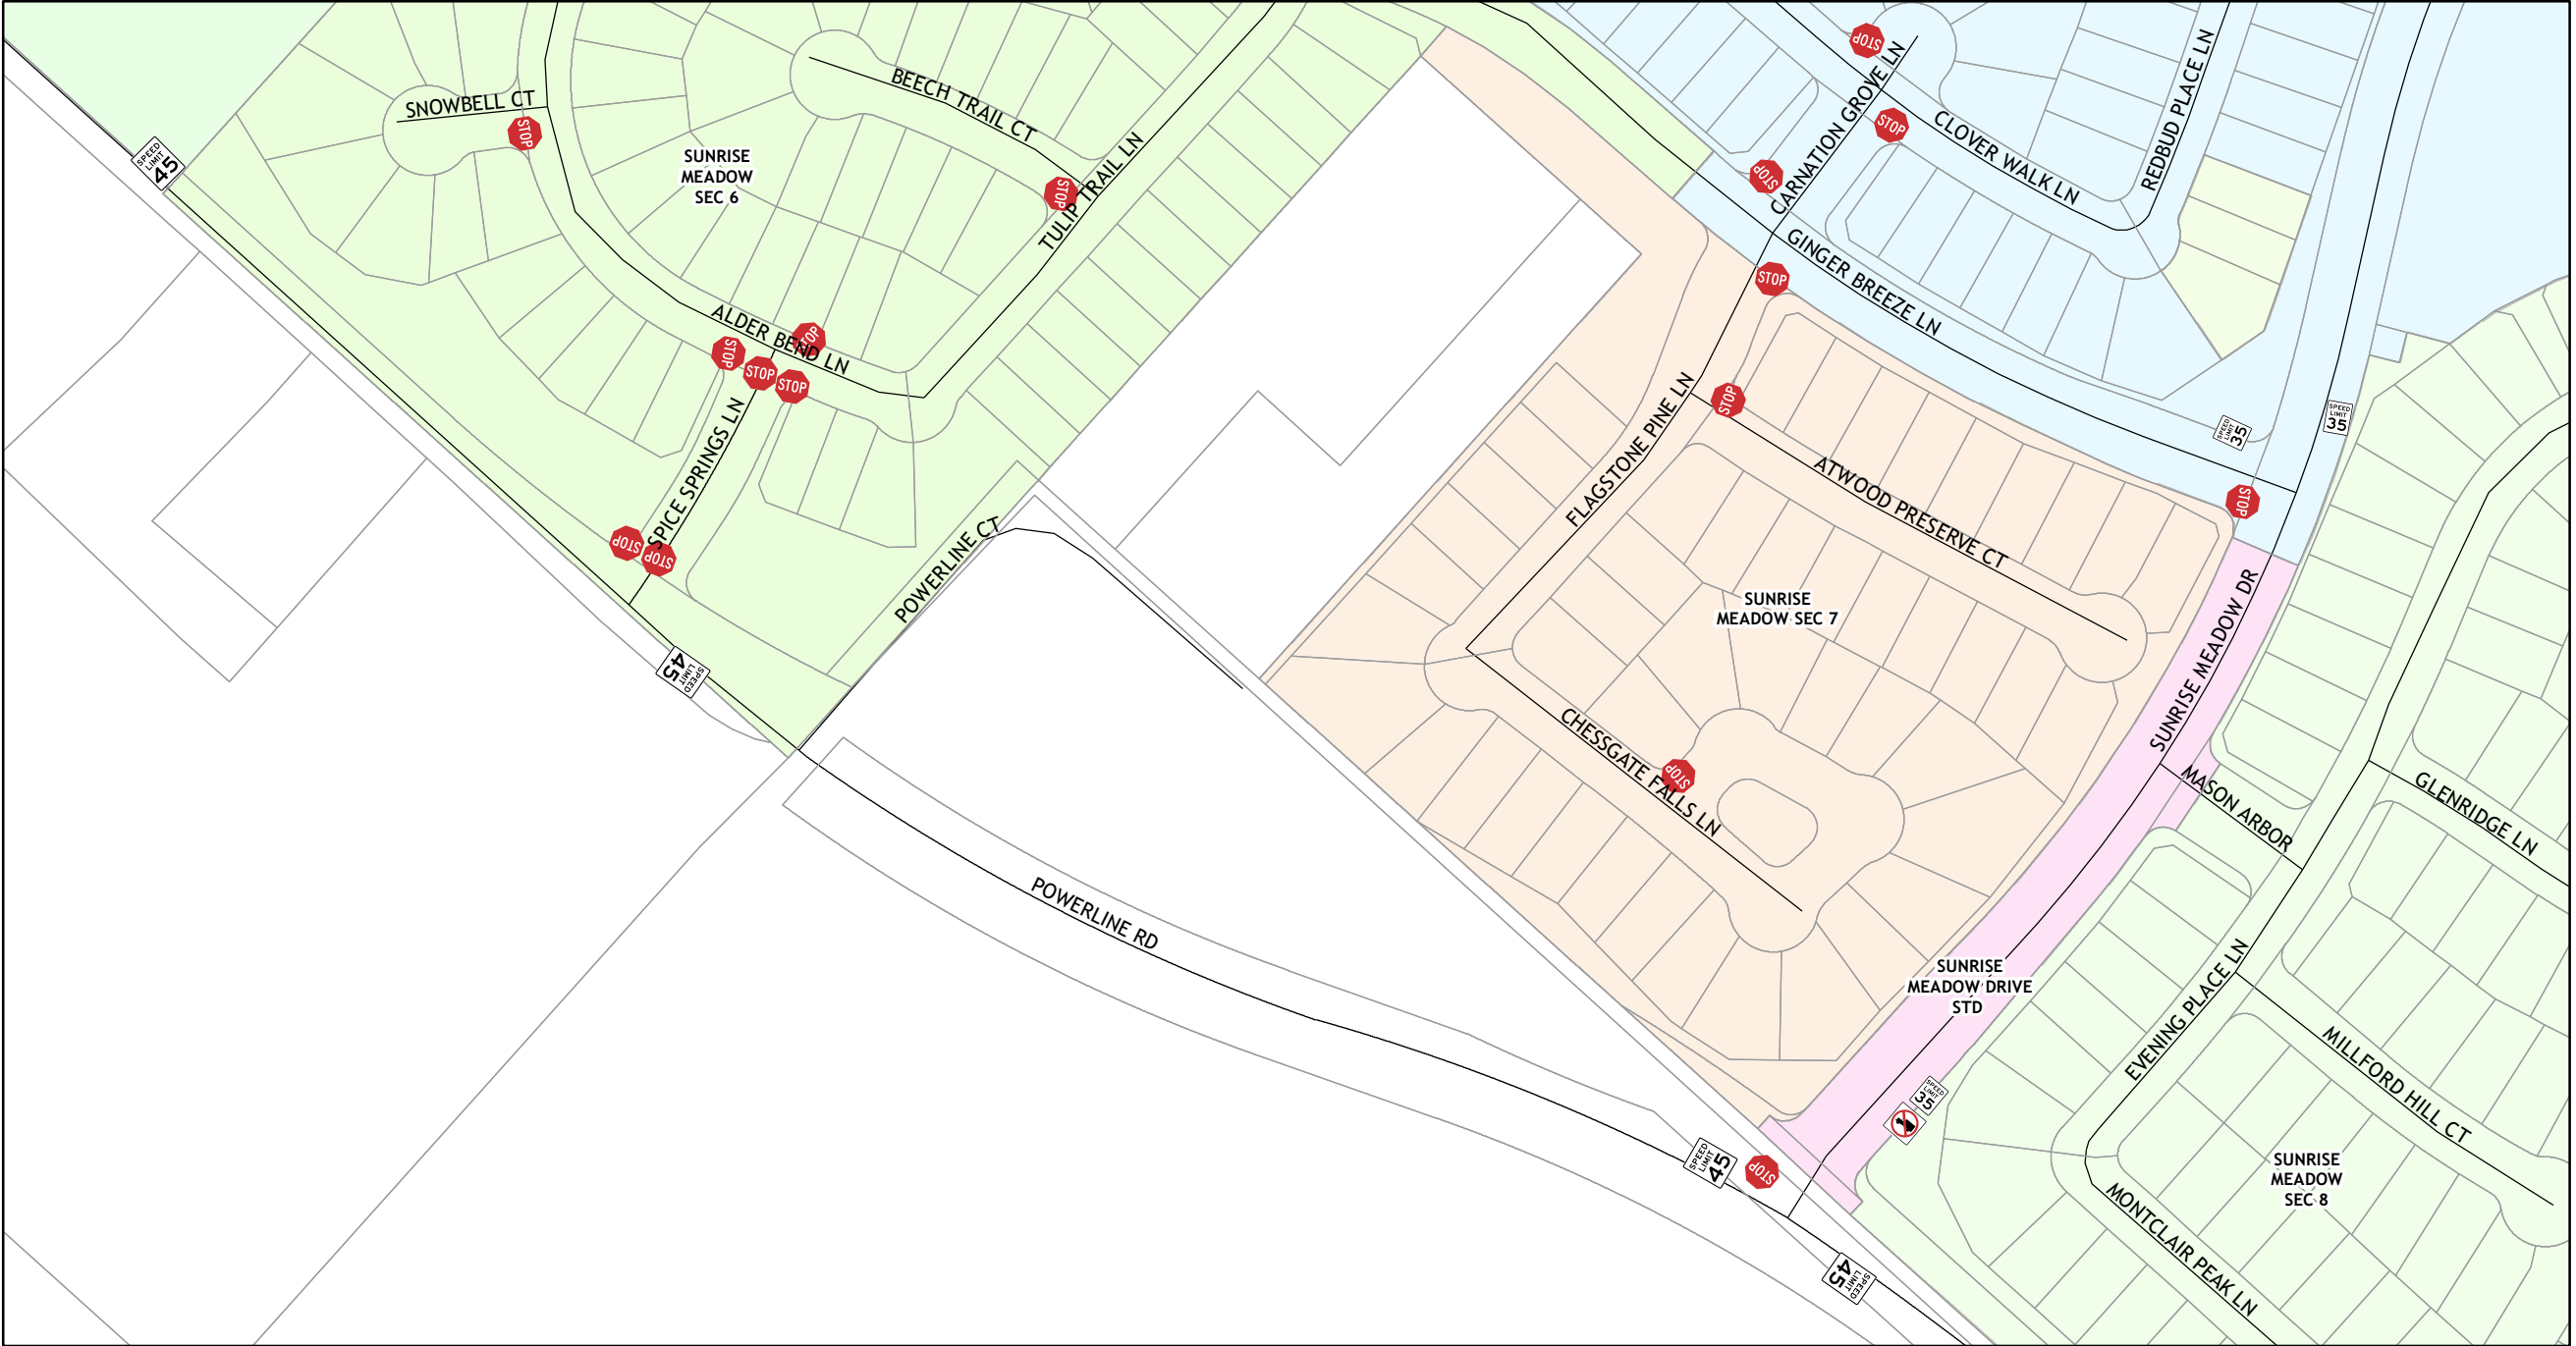

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,
