**RE: Ludwig Lane (from Dulles Ave. to Brand Lane)
Mobility Project 13208, Completed June 2019**

Dear Commissioner:

A final inspection of the road for the above referenced was made, and all of the deficiencies have been corrected. The mobility project upgraded the street from asphalt to concrete with 6" concrete curbs between E Edge of Dulles Pavement to W ROW Line of Brand. The installation of the 6" concrete curbs, this changed the pavement width from 28' to 34' and needs to be updated in the road log. The street footage length for this project are as follows:

Ludwig Lane	1,427.00 LF (0.27 miles from E Edge of Dulles Pavement to W ROW Line of Brand)
-------------	--

There is no bond for this project.

If you should have any questions or need additional information please feel free to call.

Sincerely,

Wesley Crawford
Construction Manager
