### *About This Document*

In this document, grantees (also referred to as subrecipients) will find fund specific federal requirements and conditions applicable to the grant award administered by the Office of the Governor (OOG). These requirements and conditions are incorporated into the Grant Agreement accepted by a grant's Authorized Official.

These requirements are in addition to those that can be found on the eGrants system – including the Grant Application and Grant Award – or in documents identified there, to which grantees agreed when applying for and accepting the grant. Other state and federal requirements and conditions may apply to your grant, including but not limited to: 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Chapter 783 of the Texas Government Code; Title 34, Part 1, Chapter 20, Subchapter E, Division 4 of the Texas Administrative Code; the Uniform Grant Management Standards (UGMS) developed by the Comptroller of Public Accounts; the state Funding Announcement or Solicitation under which the grant application was made; for federal funding, the Funding Announcement or Solicitation under which OOG was awarded funds; and any applicable documents referenced in the documents listed above. For grants awarded from the U.S. Department of Justice (DOJ), the current applicable version of the Department of Justice Grants Financial Guide and any applicable provisions in Title 28 of the CFR apply. For grants awarded from the Federal Emergency Management Agency (FEMA), all Information Bulletins and Policies published by the FEMA Grants Program Directorate apply. OOG reserves the right to add additional responsibilities and requirements, with or without advance notice to the grantee.

Any rights or privileges reserved or attributed to the federal awarding agency are also reserved or attributed to OOG, which may exercise them at its discretion.

It is important for grantees to review all of these policies to successfully manage their grant, maintain eligibility for funding, and avoid violating the terms of the Grant Agreement, any of which could result in the revocation of funding or other actions.
