Address to Commissioner Pct or C Court

In re: Texas Parks & Wildlife Code § 42.002/.005

Dear Commissioner/Commissioners Court

I (**Flatlined Outfitters**) am writing regarding feral hogs in the Cinco Ranch community that are causing damage to residential and commercial property and pose a safety hazard. Cinco Ranch community residents have reached out to Hog Removal service companies to begin alleviating the issue. The Texas Parks & Wildlife Code § 42.002/.005 allows any person to take feral pigs from land provided consent has been given by the landowner. Therefore, I request the County's consent request for same under Texas Parks & Wildlife Code § 42.002 (c)/§ 42.005 (f) for County owned property located at: County owned land Willowfork area, north of Buffalo Bayou between S. Mason to the west and the Fort Bend county line to the east.

Enclosed you will find an executed ACKNOWLEDGEMENT OF RISK, RELEASE AND WAIVER OF LIABILITY AGREEMENT which I submit along with my request for the County's consent.

Sincerely,

Dylan Shaw
