**RE: John Sharp Drive (a.k.a. Owens Rd) (From Harlem Road to .33 miles E of Harlem Road)
Mobility Project 13403, Completed February 2018**

Dear Commissioner:

A final inspection of the road for the above referenced was made, and all of the deficiencies have been corrected. The mobility project constructed a 4-lane boulevard roadway with shoulders and roadside ditches between Harlem Road to .33 miles E of Harlem Road. The construction of the 4-lane boulevard roadway with shoulders changed the pavement widths and needs to be updated in the road log. The street footage length for this project are as follows:

John Sharp Drive	337.00 LF (0.06 miles from Harlem Road to 337' E of Harlem Road)
John Sharp Drive	1,427.00 LF (0.27 miles from 337' E of Harlem Road to 1,427' E of Harlem Road)

There is no bond for this project.

If you should have any questions or need additional information please feel free to call.

Sincerely,

Wesley Crawford
Construction Manager
